1. All checks issued by Owner/G.C. to Contractor, to the extent of amounts justly due to Seller for labor or material supplied by Seller on the _____ construction project ("Project"), shall be made jointly payable to Contractor and Seller and shall be promptly delivered to Seller. Owner/G.C. may rely on any written notice provided by Seller, stating the total current indebtedness of Contractor to Seller and limiting any obligation under this Agreement for any current requisition. 3. Owner/G.C. hereby guarantees the payment of sums justly due from Contractor to Seller under their Credit Agreement for materials supplied to the Project.
4. This Agreement is not in payment of obligations of Contractor to Seller and will not affect Seller's rights to withdraw or refuse further credit, or Seller's rights to any payment bond, mechanic's lien, trust fund or other legal rights.
