**1.01 OVERVIEW OF RFP PROCESS**

This Request for Proposals invites Proposals for the provision of contractual services, supplies and/or equipment, or a combination thereof, for the County of Cook, Illinois. Proposals submitted in response to this RFP will undergo an initial evaluation and, in the County’s discretion, Proposers may be invited to discuss or explain their proposals, demonstrate their proposed Solutions and/or negotiate the specific terms pursuant to which a Proposer would be willing to enter into a Contract.

At any time during the RFP process, the County may narrow or modify the scope of the Solution which is the subject of this RFP. The County may issue Addendum which describe such modifications and may, in its discretion, permit Proposers to submit supplemental or new proposals in response to these modified requirements. The County shall evaluate any such supplemental or new proposals. The County may request that all or some Proposers submit a “best and final” offer prior to selecting one or more Proposers for the negotiation of a possible contract.

All prospective Proposers must submit a Proposer Registration Form in order to receive any Addendum which is issued prior to the date(s) upon which Proposals are due. The evaluation of Proposals is intended to enable the County to identify and develop a possible Contract which represents the best composite value for the County, balancing the cost of a Proposal with the benefits to be gained by the qualifications of the Proposer, by the specific Deliverables proposed to be provided, by the terms under which a Proposer is willing to provide these Deliverables, and by the cost savings or efficiencies which may be achieved.

## **Request For Proposal No. 10-50-1082P**

The Evaluation Committee shall document its rationale in reaching a particular recommendation, but shall have complete discretion in considering and evaluating Proposals.

The submission of a Proposal does not require or obligate the County to pursue a Contract with any Proposer. The Evaluation Committee may identify as few or as many Proposers as it deems appropriate for purposes of any negotiations resulting from this RFP.

If a Proposer wishes to preserve the confidentiality of specific information set forth in its Proposal, it must request that the information be withheld by identifying such information as confidential in its Proposal. The County shall have the right to determine whether it shall withhold the information upon receipt of a FOIA request and, if it does so pursuant to a Proposer request, the Proposer requesting confidential treatment of the information shall bear the costs of asserting that there is a proper exemption justifying the withholding of such information in any court proceeding which may result.

### **3.01 USING DEPARTMENT BACKGROUND INFORMATION**

The Cook County Assessor's Office is responsible for the valuation of all 1.8 million parcels of real property in Cook County for the purposes of property taxation. As mandated by law, the Assessor's Office reassesses 1/3 of the County each year. Only through automation has the office been able to keep up with the massive increase in the complexity and numbers of residential, commercial, and industrial valuation and appeals. In the past, it was necessary for analysts to utilize various data sources to determine initial valuation and appeal valuation. Now, the process is done electronically and an initial as well as a final valuation is determined utilizing updated relevant assessment information. This process allows all data to be saved and serves as a simpler process for supervisor review and correction. The end result has been the ability for technology to

enable more output from a scaled down source. The Cook County Assessor's Office also spearheads the daily operations of the Cook County Stimulus and Revitalization Project (CCSRP), an entity formed to promote residential, commercial, and industrial development and revitalization of economically underserved communities throughout Cook County. This project provides the necessary assessment data and coordination to assist these communities in addressing the need to ameliorate foreclosure/abandonment rates, reduce high unemployment and crime rates and eliminate blight. Its goal is to seek to stimulate opportunity and enhance the communities as a whole.

As the real estate market tries to sustain its viability during these tumultuous financial times, the number of appeals continue to escalate because of fluctuations in employment and lack of viable options for property owners.

### **3.02 CURRENT SOLUTION / METHOD**

The solution that the Cook County Assessor's Office is seeking is based on the current Cook County Stimulus and Revitalization Project website ([www.sstrp.com](http://www.sstrp.com)). The focus as well as the name of the existing website has changed. Previously the program was called South Suburban Tax Reactivation Project and focused on the south suburban municipalities of Cook County. The program has been expanded to cover all municipalities within Cook County. There are currently nine (9) pages on the existing website (ATTACHMENT). Each page currently contains the following:

Copies of subcontracts shall be provided to the Purchasing Agent upon request.

The Contractor must disclose the name and business address of each subcontractor, attorney, lobbyist, accountant, consultant and any other person or entity whom the Contractor has retained or expects to retain in connection with the Matter, as well as the nature of the relationship, and the total amount of the fees paid or estimated to be paid. The Contractor shall provide the County with a list of all key personnel to be used on the project and their designated assignment. The list shall include the qualifications of each person named. The County may at any time request, in writing, the Contractor to remove any of the Contractor's assigned personnel for cause and forthwith furnish to the County other acceptable personnel with thirty (30) days of notification. Deliverables may be rejected by the Purchasing Agent and/or the Director of the Using Department if they fail to meet Contract requirements or are provided in a manner which does not meet Contract requirements. In the event of such rejection, Deliverables shall be replaced and/or re-performed by the Contractor promptly and at no additional cost to the County. Failure of County to give written notice of breach to the Contractor shall not be deemed to be a waiver of the County's right to assert such breach at a later time, should the Contractor commit a subsequent breach of this Contract.

County shall be in default hereunder if any material breach of the Contract by County occurs which is not cured by the County within ninety (90) days after written notice has been given by Contractor to the County, setting forth the nature of such breach.

Contractor shall have the right to pursue all remedies available in law or equity. In all cases the Contractor's damages shall be those actual provable damages not to exceed the amount of the Contract as awarded by the Cook County Board of Commissioners less all amounts paid to Contractor. In no event shall Contractor be entitled to any consequential damages. Irrespective of the exercise of remedies hereunder, Contractor shall not disrupt the County's operations or repossess any component thereof.

Modifications and amendments which increase cost by less than \$1,000.00 or which do not extend the term of the Contract by more than thirty (30) days may only be made with the written approval of the Purchasing Agent.

Contractor is hereby notified that, except for modifications and amendments which are made in accordance with this Section GC-16, Modifications and Amendments, no County department or employee thereof has authority to make any modification or amendment to this Contract.

#### **GC-17 PATENTS, COPYRIGHTS AND LICENSES**

Such licenses shall be clearly marked with a reference to the number of this County Contract. Contractor shall also furnish a copy of such licenses to the Purchasing Agent. Unless otherwise stated in these Contract documents, such licenses shall be perpetual and shall not limit the number of persons who may utilize the software on behalf of the County.

Contractor agrees to hold harmless and indemnify the County, its officers, agents, employees and affiliates from and defend, at its own expense (including reasonable attorneys', accountants' and consultants' fees), any suit or proceeding brought against County based upon a claim that the ownership and/or use of equipment, hardware and software or any part thereof provided to the County or utilized in performing Contractor's services constitutes an infringement of any patent, copyright or license or any other property right.

In the event the use of any equipment, hardware or software or any part thereof is enjoined, Contractor with all reasonable speed and due diligence shall provide or otherwise secure for County, at the Contractor's election, one of the following: the right to continue use of the equipment, hardware or software; an equivalent system having the Specifications as provided in this Contract; or Contractor shall modify the system or its component parts so that they become non-infringing while performing in a substantially similar manner to the original system, meeting the requirements of this Contract.

**GC-19 MINORITY AND WOMEN BUSINESS ENTERPRISES**  
**COOK COUNTY ORDINANCE CHAPTER 10-43.7 PROFESSIONAL AND CONSULTING**  
**SERVICE AND SOLE SOURCE**

I. POLICY AND GOALS

- A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in the County contracts and to eliminate arbitrary barriers for participation, as both prime and subcontractors, in such contracts by local businesses certified as Minority Business Enterprises (MBE) and Women- Owned Business Enterprises (WBE). In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority-and-Women-Owned Business Enterprise Ordinance (the "Ordinance") which establishes a "best efforts" goal of awarding not less than thirty-five percent (35%) of the annual total dollar amount of professional, consulting service and sole source contracts and agreements to certified MBEs and WBEs.
- B. A Proposer may achieve the MBE/WBE participation goals by its status as a MBE or WBE; by entering into a joint venture with one or more MBEs and/or WBEs; by subcontracting a portion of the work to one or more MBEs or WBEs; by entering into a Mentor-Protégé Agreement with a MBE or WBE; by the indirect participation of MBEs or WBEs in other aspects of the Proposer's business; or by a combination of the foregoing.
- C. A Waiver Request must be submitted with the Proposal, documenting the inability of the Proposer to meet the goals, and providing written evidence of "Good Faith Efforts," to obtain goals.
- D. A Proposer's failure to carry out its MBE/WBE commitments in the course of performance on a contract shall constitute a material breach of the contract, and if such breach is not appropriately cured, may result in the termination of the contract or such other remedies authorized by the Ordinance as the County deems appropriate.

II. REQUIRED SUBMITTALS

To be considered responsive to the requirements of the Ordinance, a Proposer shall submit Items A, B and C listed below. All documentation submitted shall be reviewed by the Contract Compliance Administrator. Failure to submit one of the items required shall be cause to consider a contract non-responsive to the Ordinance goals and may be rejected.

A. MBE/WBE Participation Documentation

Each Proposer shall submit supporting documentation which evidences efforts taken to achieve the County's "best efforts" MBE/WBE participation goals. Such documentation shall include:

- 1. A **Utilization Plan** identifying all firms intended to be utilized to fulfill the goals; the MBE/WBE status of each firm; the name, address, e-mail address and telephone number of the contact person for each MBE/WBE firm; the dollar value of the goods and services to be provided by the MBE/WBE firm; and the dollar value expressed as a percentage (%) of the total value of the purposed contract. (See Section I)

A **Letter of Intent** for each MBE/WBE containing specific information regarding goods to be provided or services to be performed by the MBE/WBE; the dollar value of the goods or services, the percentage (%) of the dollar value; and the original signatures of the appropriate officer for both the Proposer and the MBE/WBE. (See Exhibit II)
3. Current **Letter of Certification** for each MBE/WBE firm. Acceptable certifying agencies are: Cook County, Illinois Unified Certification Program (IUCP) and U. S. Small Business Administration. (SBA) (8A) or any other governmental body or agency approved by the Contract Compliance Administrator as applying certification standards substantially similar to those applied by the County of Cook may also be accepted.
4. **Waiver/Goal Reduction Petition** must be included at the time of the submission of the Proposal document. Where the Proposer does not include all documentation in support of the Petition at the time of submission, such documentation must be submitted to the Office of Contract Compliance not less than three (3) business days after the submission date.

The Contract Compliance Administrator retains the right to reject the certification of any MBE or WBE on the ground that it does not meet the County's definition of a MBE or WBE.

B. Use of MBE/WBE Professionals

Each Proposer shall submit with its proposal, a statement which discloses how it intends to maximize the use of minority and women professionals in the course of performing the contract.

C. Affirmative Action Plan

Each Proposer shall submit a copy of its current EEO-1 Report and a copy of its current Letter of Compliance from the United States Department of Labor, Office of Federal Contract Compliance Programs. Absent a Letter from OFCCP, the Proposer shall submit a written report of the inclusion of minority and women professional in the workforce of their company.

The Office of Contract Compliance will notify each MBE/WBE Sub-Contractor of the award of a contract to a Prime Contractor, the MBE/WBE dollar amount of participation and the percentage (%) amount of participation. The Sub- Contractors will be required to submit on a timely basis, Sub-Contractors Payment Affidavits (see forms section) with proof of payment or money paid to them by the Prime Contractor.

2. **Multi Year Contracts:** quarterly reporting from both Prime and Sub-Contractors including proof of payments.
3. **One time purchases** require verification of proof of payment **immediately.**

Failure to comply with this section will be reviewed as non-compliance as stated under Section III. Non-Compliance.
