FamilyAid's Housing Access Collaborative (HAC) program is <u>more than just a housing/rental</u> <u>assistance program</u>. It is a wrap-around program that also provides intensive case management and clinical support services for you and your family. If you are <u>only</u> looking

for help with an apartment, this is <u>NOT</u> the program for you.

However, if you feel you and your family could benefit from a one-year program where staff will be very closely involved in your personal lives (see Expectations, below) while you receive supportive services around budgeting, child care, employment, counseling and more, read on.

Summary of Housing Access Collaborative (HAC) Expectations

- 1) Participants have 30 days from the date of acceptance into the HAC program to find an apartment. If you are unable to find an apartment within this timeline, the HAC team will review your case. Participants must keep a Housing Log and are advised to avoid using rental agents.
- 2) Participants should NOT sign any apartment lease documents without approval of the HAC housing worker.
- 3) HAC program participants are required to meet with their case manager **every week for an hour**. For those working full-time, the last appointment is 6:00 pm, *if there is an available slot*. Otherwise, participants are required to make other arrangements with their employer.
- 4) For two-parent families, both adults are expected to meet weekly with the case manager. If one of them is unemployed, and not on Disability, s/he will meet weekly with the Career Specialist.
- 5) Any participant who is not employed full time, or is considered under-employed for long-term sustainability, must meet every week with the Career Specialist.
- 6) Case managers will schedule at least two home visits a year with participants.
- 7) Program participants are required to contribute in the HAC/FamilyAid savings program, based on her/his income. Each participant is also required to put **50% of her/his tax return** into savings.
- 8) Participants must have a landline phone or cell phone that is charged and working at all times.
- 9) Each participant is required to sign any releases of information for her/himself, and her/his children, to address issues or concerns requiring conversations with providers, referrals to services, or other resources critical to meeting the Service Plan.
- 10) Participants can be terminated at any time for non-compliance with the program's rules and regulations. <u>Grounds for Immediate Termination</u> include, but are not limited to: physical abuse or verbal threats to a FamilyAid staff member; and absence of any participant contact with FamilyAid Boston staff for 30 days.
