## Automotive Sample Invoice Template Features and Facts

---

**Automotive Sample Invoice Template** is the sample invoice template shipped with **Excel Invoice Manager** that demonstrating the use of custom fields.

On January 22 2006 we introduced an exciting feature, custom fields, to our **Excel-based invoicing software Excel Invoice Manager**. **Automotive Sample Invoice Template**, which was named "automotive.xls", is shipped with the installer program of **Excel Invoice Manager**. With the release of the new generation of **Excel Invoice Manager**, which is now named **Uniform Invoice Software**, the use of custom fields is much simpler than with **Excel Invoice Manager**, and we are no longer including the "automotive.xls" - **Automotive Sample Invoice Template** with the installer program of **Uniform Invoice Software**.
