

Academic Dismissal Appeal

Students who have been dismissed for failing to meet the standards of academic progress may appeal the dismissal by submitting this form and supporting documents to the appropriate academic administrator. If approved, students are placed on financial aid probation (academic probation)* and must follow the appropriate **Predetermined Academic Plan** while on financial aid probation (academic probation) to either meet the academic requirements to return to good standing or meet the conditions to remain on financial aid probation (academic probation) for one additional semester. Students must complete the following steps: (1) complete **Sections A through D**, (2) sign and date **Section E** of the form, (3) attach required supporting documents, (4) sign the appropriate **Predetermined Academic Plan** (page 2 or 3), and (5) submit the complete packet to the academic office in person, via postal service, fax, or as an email attachment. Appeals must be received by the date indicated on the student's dismissal notification letter.

Note: Students informed of the dismissal after beginning the session immediately following the dismissal may remain enrolled while the appeal is processed. Students continuing in a course(s) while the appeal is processed who then receive a denial of the appeal may no longer continue and are dropped from classes. Students NOT currently enrolled whose appeal is approved may enroll for the current semester provided the registration deadline has NOT passed, and are subject to financial aid probation (academic probation) conditions.

In addition to meeting conditions outlined in DeVry's standards of academic progress policy, students receiving veterans educational benefits must also meet Veterans Administration satisfactory academic progress requirements. Failure to do so may result in loss of benefit eligibility until deficiencies are corrected. Questions regarding these requirements should be directed to the school's veterans benefits coordinator.

* **Note:** The U.S. Department of Education uses the terminology financial aid warning and financial aid probation for Federal financial aid recipients.
