## Terms and Conditions

- Students registered have the right of membership to the TKF community.
- Extra classes may be held on mercantile holidays.
- The course fee paid will not be refunded under any circumstances
- Study material will only be issued upon full payment of course fees.
- Students are expected to attend classes regularly. 80% attendance is a must.
- The management reserves the right to amend the published time table anytime before or after the commencement of a course.
- You are allowed to postpone the examinations/assignment submission for the next available session after notifying the office in writing. There will be separate coaching sessions for assignment subjects which may be organized depending on the cohort of the students. These will be charged separately and it is mandatory that the students attend these sessions if they are to submit the assignments through Knowledge Factory.
- Sitting for examinations or submitting assignments can be postponed only for the next available session and not any further.

I understand and agree to the conditions of enrolment and I confirm that the details are correct.
