

READ THE DIRECTIONS CAREFULLY! Only completed applications will be considered. Please carefully read all questions and complete the entire application. In addition to the completed application, submit a 1-2 page personal essay addressing why you have chosen mathematics teaching as a career path and a copy of all college transcripts (unofficial UHD copies will be accepted but from all other institutions, you must submit an official sealed copy). Finally, two letters of recommendation from two faculty members (at least one from a faculty member in Mathematics or Science) must be submitted directly from your references. The completed application packet and the letters of recommendation should be mailed to:

Dr. Judith Quander Department of Computer and Mathematical Sciences (S-705) The University of Houston-Downtown One Main Street Houston, Texas 77002

All application materials must be postmarked by Friday, November 16, 2012
