Welcome from the President

It's true. Life for most eighteen to twenty-five year olds is a time of transition. It is a time when young people discover the world outside what they know. However, for those young people who are transitioning out of the foster care system, life can be uncertain, unsupported and unsafe. Transition age foster youth are far more likely to experience unemployment, low educational attainment, incarceration, dependence on public services, substance abuse, and single parenthood. In addition 40% of youth that have transitioned outside the system are homeless within 18 months and 51% are unemployed within two years.

When you read statistics like these, the situation for transition age foster youth seems more than bleak. It seems impossible. And yet the Junior League of San Diego (JLSD) has been tackling challenging community problems and providing solutions for over 84 years. In 2012-2013, JLSD has begun an 8-10 year plan to provide the necessary support to assist transition age youth as they pursue college and employment and begin independent adult life.

Whether providing textbook scholarships, life skills and financial literacy courses, 3 to 1 mentorship or one-stop services to these foster youth, JLSD is committed to improving the lives of transition age youth. However, beyond this community focus on transition age youth, JLSD's mission is much richer. JLSD is committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. JLSD's commitment to building female civic and community leaders allows us to tackle the problems of today, while focusing on the solution-makers of tomorrow.

Today, JLSD hopes to make a critical impact in the lives of transition age foster youth. Tomorrow, our members will help to make America's Finest City even finer. Thank you for supporting the work of the Junior League of San Diego.

Chair Acknowledgments

We would like to extend a very special thank you to everyone that helped to make this event a success. We are especially grateful to our Fund Development Chair and Chair-Elect Brooke Harrington and Courtney Chandler Rogge, Corey Price and the Marketing Committee, Lisa Cobble and the Finance Committee, the Provisional Committee Co-Chairs Natalie Borresen and Dominique Meinke, and the 2013 Provisional Class. We could not have gotten through this year without your great enthusiasm, support and confidence in our Committee kept our spirits high to get the job done. And, it goes without saying, that we are so thankful for our sponsors wineries, breweries, spirits vendors, restaurants and donors for making this fundraiser possible. For more than 84 years, the Junior League of San Diego has trained women to be leaders and volunteers to work to improve the lives of children and families in our community. This would not be possible without your support and generosity! Cheers!

About the Junior League of San Diego

~Mission~

The Junior League of San Diego, Inc. is part of an international organization of women committed to promoting voluntarism, developing the potential of women, and improving the community through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

~Vision~

To be the finest volunteer organization for women in San Diego by offering a unique combination of volunteer, social, and training opportunities.

~Focus~

The Junior League's community programs will support San Diego's transitional-age foster youth as they make the critical move into independent adult life.

~History~

In 1901, Mary Harriman, a 19-year old New York City debutante, founded the first Junior League. Moved by the suffering she saw around her, Harriman mobilized a group of 80 other young women -- hence the name "Junior" League -- to work to improve conditions for immigrants were living in the Lower East Side of Manhattan. Other chapters followed, and in 1929, the Junior League of San Diego became the fifth League in the state of California, and the 105th member to join the Association of Junior Leagues.

~Community Involvement~

The Junior League's nearly 1,200 members research and develop community programs in San Diego County through services projects, collaborations, education and advocacy. Each year our members contribute over \$1 million in contributions and volunteer hours to support outreach programs and community assistance grants. For these efforts, the Junior League of San Diego was named the 2006 Philanthropic Organization of the Year by the Association of Fundraising Professionals.

A Call to Action: Help Support the Junior League's Community Projects

Our League has an 84-year history of supporting at-risk children in the San Diego area. We founded the Head Start program at the Polinsky Children's Center; today it is the County's only emergency shelter for neglected and abused children who must be separated from their families for their own safety. We created Storefront, San Diego's only emergency shelter program for homeless, runaway and "street" youth.

We are now providing much needed support of San Diego foster youth who "age out" of the system at age 18, with only a garbage bag of worldly possessions and little, if any, support in finding housing, employment, schooling, and the daily necessities needed to become a self-supporting adult. Over 40% of San Diego's former foster youth become homeless within 18-months and about 25% will be in prison by the age of 20.

We are fighting for the 300 San Diego foster youth who "age out" every year by developing new scholarships to improve higher education opportunities, and setting up programs to help curb substance abuse, mental illness, unemployment and homelessness. Current programs include textbook scholarship opportunities and Tools for Success, which helps foster youth develop the life skills needed to become successful and independent adults.

All proceeds from the 13th Annual Junior League of San Diego Food & Wine Festival are used to support JLSD's community projects for an entire year.

Place Your Bets for the Kentucky Derby Raffles

As of press time, Florida Derby winner **Orb** is the 7/2 favorite to win. Orb is trained by Hall of Famer Shug McGaughey, who is seeking the first Kentucky Derby win of his career. Wood Memorial winner **Verrazano** is the second choice at odds of 4/1. Drawing post 14, Verrazano will be outside of several horses that like to show early speed, specifically **Falling Sky, Oxbow** and Santa Anita Derby winner **Goldencents**.

Revolutionary, with Kentucky Derby winning-jockey Calvin Borel drew post position three. **Black Onyx**, winner of the Spiral Stakes, drew the dreaded rail spot where he'll have very small margin for error when breaking. **Fear the Kitten** is an alternate entry. Longest shot on the line at odds of 50/1: **Black Onyx, Golden Soul, Giant Finish, Falling Sky and Frac Daddy**.

Our **Win Place Show Raffle** will occur directly after the 139th running of the Kentucky Derby is at **3:24 p.m.** Pick the horse that comes in 1st, 2nd or 3rd at this year's derby for a chance to win:

1. Private Guided Wine Tour on Horseback with Saddle Up Wine Tour (\$350) and an at-home wine tasting party for up to 12 people (\$350)
2. 4 Clubhouse Season Admission to Del Mar Thoroughbred Club (\$200) and an at-home wine tasting party for up to 12 people (\$350)
3. San Diego Polo Club - 4 VIP Tickets to Sunday Polo (\$100) and an at-home wine tasting party for up to 12 people (\$350)

All non-winning tickets will be entered for our **Last Raffle** drawn at 4:30 p.m.
