GENERAL INSTRUCTIONS
(Do not return this sheet)

Our records show you have authorization to practice as an Advanced Practice Registered Nurse (APRN) in the State of Texas. In order to maintain your APRN recognition, you must have a current RN license as well. To renew your APRN authorization(s) you must meet the requirements under 22 TAC §221.8, in addition to requirements in 22 TAC §§ 213.27 - 213.29, 213.33, 217.6, 217.7, and chapter 216, and pay the appropriate fee. There is no additional charge for more than one APRN authorization. There is no renewal fee for Prescriptive Authority.

APRN RENEWAL REQUIREMENTS 221.8 (in addition to requirements in 22 TAC §§213.27-213.29, 213.33, 217.6, 217.7, and chapters 216 & 223.)

1. You must pay the required recredentialing fee. Note: Failure to renew APRN authorization shall result in expiration of the Board's approval as an advanced practice registered nurse [Rule 221.8(b)];
2. You must have a minimum of 400 hours of current practice (within the preceding biennium) in each advanced specialty you are renewing;
3. If you graduated from an APRN program after January 1, 1996, you must be currently certified by a certifying body recognized by the Board.
4. You must meet the continuing competency requirements of Rule 216. You must hold current national certification, recertification, or completed certification maintenance requirements set by the respective national certifying body. If you are not required to be certified by 22 TAC §221.4(c), then you must have at least 20 contact hours of continuing competency targeted for your advanced practice role and population focus area. If you have Prescriptive Authority, you are required to have an additional 5 contact hours of continuing education in pharmacotherapeutics.

*The Board's APRN continuing education requirements under Rule 221.8 are in lieu of RN required CE under Rule 216. Only 20 hours of CE are required. Category I Continuing Medical Education (CME) will meet requirements for continuing education.

"A registered nurse who practices professional nursing or a vocational nurse who practices vocational nursing after the expiration of the nurse's license is an illegal practitioner whose license may be revoked or suspended." Texas Occupations Code § 301.301(f).

**APRN CERTIFICATION FOR
RENEWAL**

Board Rule 221.8 addresses the requirements that must be met in order to maintain licensure as an APRN. Board Rule 221.8(a)(1) addresses the requirement related to maintaining national certification/recertification in order to be eligible to maintain the APRN

If it has been more than 24 calendar months since you last practiced as an APRN, you are not eligible to renew your APRN authorization at this time. Review Rule 221.8 and 221.10 for requirements to renew and maintain authorization as an APRN

You must **attach a copy of your national certification document for each advanced practice title you renew**. The national certification document must bear an expiration date. Do not send the originals as they will not be returned to you. Failure to demonstrate current national certification as required by Rule 221.8 will render the APRN ineligible to renew his/her APRN license; however, the RN license can still be renewed if all other renewal requirements are met. Failure to meet the requirements outlined in Rule 221.8 while practicing as an APRN may render a licensee subject to disciplinary action, including a disciplinary order and a fine.

CRIMINAL BACKGROUND CHECK

If you have not previously completed a criminal background check for the Texas Board of Nursing, or the BON does not have a disposition with an SID (state identification number) on file for fingerprints previously submitted, you may be required to complete the process at this time. You will be notified by our office if this is a requirement.

GENERAL INSTRUCTIONS
(Continued - Do not return this sheet)

CONTINUING COMPETENCY

For any Texas APRN authorization less than two years old, the APRN renewal requirements (2) & (4) (as listed above) pertaining to CE and 400 practice hours are waived. **NOTE:** If APRN CE & 400 practice hours are waived, but your Texas RN license is beyond the first renewal, then you must have 20 hours of CE for your RN license. You must **attach a copy of your continuing education certificates**. Do not send the originals as they will not be returned to you. The continuing education rules require you to complete 20 contact hours of acceptable continuing education targeted for the advanced role and specialty within the two years immediately preceding the application for renewal. If you are renewing your prescriptive authority, an additional five (5) contact hours must be completed in pharmacotherapeutics. **Nurse Anesthetists:** Please note that we are unable to accept a copy of the AANA continuing education transcript or a copy of your Council on Recertification card as proof of continuing education.

NAME CHANGE

For name change, you must submit a copy of legal documentation, (e.g., marriage license, divorce decree, corrected driver's license) which states the name change.

RENEW ONLY RN LICENSE

If you wish to renew only your RN license **and** do not want your APRN recognition(s) renewed, check the appropriate boxes on the front of the renewal form, submit the appropriate fee, and mail the form to the address located at the top. Note: If you are renewing only your RN license, the 20 CE hours may be in RN content (Rule 216).

PRIMARY STATE OF RESIDENCE

Declaring a compact state, other than Texas, will cause your renewal to be rejected since you can practice in Texas on your declared compact state license. In addition, the BON reserves the right to seek clarification when needed. Per Rule 220.2(b), primary state of residence is determined by the following documents and you may be requested to submit one or more to satisfy residency requirements:

- (1) a driver's license with a home address;
- (2) voter registration card displaying a home address;
- (3) federal income tax return declaring the primary state of residence;
- (4) Military Form No. 2058 - state of legal residence certificate; or
- (5) W2 from US Government or any bureau, division or agency thereof indicating the declared state of residence.

For more information regarding the compact, visit our website at www.bon.texas.gov or the National Council of State Boards of Nursing's website at <https://www.ncsbn.org/nlc.htm>.

GENERAL INSTRUCTIONS - Continued

If you answered yes to questions 1-5 of the Eligibility Questions on page 2, you must provide the Board with the following information:

*QUESTION #1 The Board has determined that criminal behavior is highly relevant to an individual's fitness to practice nursing. Therefore, all criminal convictions or deferred orders, prosecution, or adjudication-a determination by a court that is withheld or delayed for a specific time period, must be reported to the Board. This question includes offenses under the law of another state, federal law, or the Uniform Code of Military Justice that contains elements of criminal conduct. SUBMIT a personal letter of explanation describing each incident, the behavior that led up to the criminal order and your conduct since the order, and any rehabilitative efforts that have been performed since the order. In addition, SUBMIT the following documentation for **all** felonies, **all** misdemeanors, and **all** military actions:

Certified copies of:

1. charges (indictment, information, or complaint);
2. disposition of charges (Judgment, Order of Probation, Sentence, and/or Deferred orders); and
3. evidence that the conditions of the court have been met.

(To obtain this documentation, contact the county clerk in the jurisdiction where the order was issued for misdemeanors; district court clerk for felonies.)

You may answer "NO" to the question of prior convictions only if you: (a) received a pardon; or (b) were adjudicated as a minor without a finding of "delinquent conduct". If you were ever required to register as a sex offender, you must answer "YES".

If you have questions regarding the outcome of any criminal matter, consult your attorney.

*QUESTION #2 The Nursing Practice Act provides that a person's conduct in violation of the Nursing Practice Act or rules of the Board may be considered as a factor in its deliberations regarding fitness to practice nursing. Therefore, if a licensee or applicant is the subject of a grand jury or governmental agency investigation, the information regarding conduct or behavior giving rise to the investigation may be relevant in determining a violation of the Nursing Practice Act or lead to the admissibility of relevant evidence of such violation. If you are the subject of a grand jury or governmental agency investigation, please SUBMIT the name and address of the investigating entity and an explanation as to the basis of the investigation.

QUESTION #3 The Board has determined that if any licensing authority has taken disciplinary action against a person for any reason, then those actions are highly relevant to an individual's current ability to practice nursing in the state of Texas. If any licensing authority has refused to issue a license, revoked, annulled, cancelled, accepted surrender of, suspended, placed on probation, refused to renew a license, certificate, or multi state privilege held by you or previously fined, censured, reprimanded or otherwise disciplined you, SUBMIT the names and address of the licensing authority who has taken action and a letter explaining the background of the action. Additionally, SUBMIT certified copies of:

1. formal charges or allegations supporting the licensure action;
2. final disposition of the licensing authority regarding those formal charges or allegations; and
3. evidence that the conditions of the licensing authority's order or requirements have been met.

GENERAL INSTRUCTIONS - Continued

*QUESTION #4 The practice of nursing requires current fitness. The Board has identified certain disorders which, if occurring within the last 5 years, may indicate a lack of fitness. The disorders are: schizophrenia and other psychotic disorders, bipolar disorder, paranoid personality disorder, anti-social personality disorder, or borderline personality disorder. If you have been diagnosed, treated, or hospitalized for any of the above illnesses within the last 5 years, which impaired or does impair your behavior, judgment, or ability to function in school or work, submit the following information that will allow the Board to conduct an individualized assessment of your ability to practice safely, competently, and without impairment to your professional judgment, skill, or knowledge.

1. A report, on letterhead, from your physician, psychiatrist, psychologist or counselor, sent directly to this office, that includes: your diagnosis; treatments rendered; including current medications; prognosis; cognitive, affective, and emotional stability and continuing after-care recommendations, including reasonable accommodations needed to safely practice nursing, if any; and,
2. Verification of compliance with aftercare recommendations.

Please be advised that a physical/psychological evaluation may be requested as part of your individualized assessment. The evaluation process is described in more detail at www.bon.texas.gov/disciplinaryaction/eval-guidelines.html. The evaluation process could potentially delay consideration of your renewal. Therefore, the Board is providing advance notice of this possibility so that applicants may contact the Board to schedule an evaluation at the beginning of the renewal process. By doing so, the renewal should not be unduly delayed. An applicant is not required to contact the Board in advance of Board consideration of the renewal. The applicant may choose to wait for a specific decision by the Board that a specific evaluation is necessary. This information is being provided to put applicants on notice with respect to this potential requirement and afford the applicant the opportunity to expedite the process if he/she so desires.

*QUESTION #5 The practice of nursing requires current sobriety and fitness. If you have been addicted to or treated for the use of alcohol or any other drug within the last five years, SUBMIT:

1. verification of treatment for substance abuse sent directly to the Board from the treatment center;
2. verification of compliance with aftercare recommendations;
3. evidence of continuing sobriety/abstinence, for example, current support group attendance and random drug testing results; and
4. a personal letter of explanation with sobriety date and plan for relapse prevention.

*Pursuant to the Texas Occupations Code §301.207, information, including diagnosis and treatment, regarding an individual's physical or mental condition, intemperate use of drugs or alcohol, or chemical dependency **and** information regarding an individual's criminal history is confidential to the same extent that information collected as part of an investigation is confidential under the Texas Occupations Code §301.466.
