INTERNATIONAL COMMON LAW AMNESTY NOTICE
&
CEASE AND DESIST ORDER

RE: UNLAWFUL COMMON LAW VERDICTS AND ACTIONS ON THE FOLLOWING:

Name: _____ **Case No.:** _____ **Court Name:** _____

Address: _____

Including countless, future Claims and Liens yet to be filed.

NOTICE: International Common Law has been firmly re-established as the SUPREME LAW OF THE LAND of South Africa on 25th of July, 2013, Constitutional Hill, ZA. The commercial admiralty law, it's banking transaction process and ALL commercial court due processes used to ILLEGALLY and UNLAWFULLY secure and enslave this land was ALREADY LEGALLY FORECLOSED ON; on the 25TH of December, 2012. (Go to www.i-uv.com). All your CEO's and Judges in the know, such as yourself were notified and are aware of these facts including the banks, the courts, the political leaders, key businessmen, media chief editors etc.,but they are purposefully not notifying the Public. You are now plundering on their behalf. Watch "The Obama Deception" by Alex Jones on the net to see who is profiting off of you; who your real bosses are. If you are earning your Living and profiting in any way from the loss of someone else's Peace, Freedom, Property and Happiness, then you are willingly, knowingly and purposefully engaging in PIRACY (barratry) and acting under FULL private liability and accountability. By reading this Notice and Order there is no more plausible deniability on your behalf of "I did not know". You are accountable and will be held as such by the One People as a private living, flesh and blood man or woman.

ORDER: You are hereby ORDERED to CEASE and DESIST under the COLOUR OF LAW, International Common Law Jurisdiction, at The One Law of:

"Do no harm, cause no loss and do not impede the freedom of others".

The PTY (Ltd) REPUBLIC OF SOUTH AFRICA has been legally foreclosed on as a fraudulent bankrupt entity owned by federal banksters who are currently jumping ship, resigning or being arrested for treason & economic crimes against humanity. This includes the Vatican, including the ex-crown of the british empire and ex-representative, ex-queen of England, Elizabeth Mary Windsor. Warrants of arrest have already been issued. THEREFORE, you have BEEN WARNED. CONTINUE AT YOUR OWN PERIL. You currently have no *locus standi* and engaging in criminal activity, piracy (barratry) and acting in breach of numerous International Treaties and Charters. You will be summonsed to appear before a Tribunal into crimes of church and state for causing purposeful and wilful harm or loss. Please inform yourself properly. Ignorance of the New Law is no excuse. A violation of International Common Law is a breach of numerous Charters and Treaties endorsed by Amsterdam, Brussels, Dublin, Johannesburg, London, Rome, New York, Vancouver AND Almighty GOD.

You are hereby ORDERED to re-send ALL emails to ALL Courts on the Land; all Officers of the Court, including All Hand Delivered Notices & Orders as you are governed at Common Law yourself. Your redemption is to become a Common Law Judge now or to never stand as one again.

Amnesty Notice:

You can apply for Amnesty by re-oathing and re-bonding yourself to ICCJ at International Common Law, to the One People of the Land commonly known as South Africa, in order that you may have proper authority and proper locus standi as you currently have NONE. You are currently holding a pirate flag and you are floating on your own at sea. Please find the emailed Oath & Bonds, including the Common Law Manual.

Or:

1. You will be summonsed to an International Common Law Court of Justice and held accountable by those you brought harm and loss to, as witnesses to the fact and as jury in a Tribunal, before the year is out. Your current actions or inactions are merely adding sway in your judgement by the One People.
2. You will be asked questions such as: Who you were working for? Who was instructing you to railroad ALL Law and due processes? Who was aiding and abetting you in the current barratry that you are holding the flag to?
3. Your name has been recorded by ICCJ and has been added to a preliminary National Arrest Warrant List.

Please become a part of the solution and not the problem.

In Conclusion:

There is a new system rolling out. Go to www.i-uv.com.
