

Do you want to learn about the new and exciting Sport of Scent Detection?

Sunday March 16th, 2014, 1pm to 4pm

The Ottawa Valley Golden Retriever Club is pleased to sponsor a 3 hour session to offer you an opportunity to see how to train dogs in this new sport. Whether you just want to have some fun with your dog, or you are interested in a new sport to compete with your dog, this seminar will give you a very good introduction. Suitable for dogs and handlers at any level, it will be conducted under the rules of the Sport Detection Dogs Association, <http://www.sportingdetectiondogs.ca/>.

The session will be conducted by Stephanie Perrier, owner of Competitive K9's. She is involved in obedience, French Ring, and agility and of course Sport Detection. She hosted the first Sport Detection trial in Ottawa last August and teaches Sport Detection from beginners to advanced trial preparation. The event will be held at THE DOG RANCH 6361 Fourth Line Road, NORTH GOWER, ON, K0A2T0 <http://www.dogranchinc.ca/>

Because of the nature of the training, just a few working spots are available. However, auditors will also learn a lot while watching how the dogs are introduced and motivated in this sport.

Join us for a fun afternoon, learning and watching our dogs put their nose to work!
