

Campus life

Dear Parent,

We would like to introduce you and your child to **Campus Life**. It has been offered to Guilford County Middle School students over the past twenty-six years. We believe it provides a challenging, exciting, and growing experience for your student.

Campus Life is not directly associated with the school, but is open to every student who attends The Academy at Lincoln. There is no official affiliation between the school and Campus Life, but the school is knowledgeable of our program and activities. Campus Life is sponsored by Greensboro Youth For Christ and has the endorsement of many of our community churches. The goal of the program is to help students and their parents during this transitional time of early adolescence. The club meets weekly during the school year. A typical club consists of small group discussions, music, and a short talk about the day's main topic. Through these various activities, we encourage positive moral values and a respect, knowledge of, and reverence for God. (We also have service projects, retreats, special trips, student leadership and a host of summer events.)

Regular meetings will begin September 24th. Lincoln Academy students will meet each **Friday from 8:00 to 8:50 A.M.** in the library. We hope your middle school student can be a part of the Campus Life program. There are no membership dues or requirements; however, **students will need this consent signed to participate.** Students can join at any point through out the year. If you have any questions, please call Aaron Brewer at 274-9641 or e-mail him at campuslifecrazy@yahoo.com. We will have campus life library passes for young people who ride the bus so they may be dismissed into the library when they arrive at school. Passes are located in the front office. Any student who needs to obtain a library pass is asked to do so without interruption of their curriculum schedule.

Sincerely,

Campus Life staff

(Please note: If you wish to correspond via email please send me (Aaron Brewer) an email at: campuslifecrazy@yahoo.com (put Lincoln CL in the subject to be added to the mailing list.) Our website is almost complete and soon you will be able to download any document you need for upcoming trips or events. yfcgreensboro.org or greensboroyfc.org

----- PLEASE DO NOT TURN IN TO OFFICE. BRING THIS WITH YOU TO CAMPUS LIFE -----
