

Immunization Form

Healthcare Staffing Professionals (HSP) requires our providers to have up to date immunization records. The immunizations include: Measles, Mumps and Rubella (MMR) and diphtheria, tetanus and pertussis (DTaP).

Please check one of the two (2) options below

I have up to date immunization records *(attach proof)*

I do not have up to date immunization records and I understand the risk associated with no have up to date immunizations.
