# BUSINESS OPERATING EXPENSE

## SUMMARY OF COVERAGE

### *For Policy Form 150BE*

---

This coverage provides benefits for the operating expense of a business or a practice when the owner/Insured is completely unable to engage in his or her occupation (in CT, IA & VA, unable to engage in substantial and material duties of his or her occupation) as a result of covered illness or injury, receives no earnings for performing other work or service and receives medical treatment. Benefits of your plan are as indicated in your policy.

#### **Renewal Agreement**

We will renew your policy each time you send us the premium until you reach age 65. However, the policy will terminate when you retire, sell your business, or discontinue your business or the practice of your business or profession.

#### **Premium Change**

Your premium cannot be changed unless we make the same change on all policies of this form (and series in AL) issued to persons of the same classification in your state. In SC, you will receive at least 31 days' notice of a premium change.

#### **Accidental Death Benefit** (Not available in SC)

An amount equal to the total annualized premium of the policy and all riders in effect on the date of a covered accident, multiplied by the number of full years the policy has been in force, will be paid when such injury results in the Insured's death within 90 days (180 days in UT) after the date of the accident. This benefit is paid in addition to any other benefit under the policy. If there is a change of Insured, the Policy Date for this provision will be the date such change takes effect (not applicable in TN). (In TN, the minimum benefit is \$1,000).

In VA, benefit is payable if injuries you receive while the policy is in force cause your death within: (a) 90 days of the accident or (b) 12 months of the accident if, as a result of the accident, you suffered continuous total disability that began within 30 days of the accident. The benefit is an amount equal to the total annualized premium of the policy and all riders in effect on the date of the accident, multiplied by the number of full years the policy has been in force. It is payable in addition to any other benefit. The minimum benefit is \$1,000.00. If there is a change of Insured, the Policy Date, for this provision will be the date such change takes effect. Benefits are not payable for loss caused by suicide while sane or insane, an act of declared or undeclared war or sustained while in an armed service.

#### **Tax Deductible**

Your Business Operating Expense Policy has been designed to meet the requirements of Internal Revenue Service rulings

which allow certain business professionals who are sole proprietors, partners and stockholders/employees of a business to use premiums for the policy as direct business expense for tax deduction. This is based on current tax code.

#### **Preexisting Sickness or Injury** (Not applicable in PA)

Means a sickness or injury which first makes itself known or is medically treated before the Policy Date and which must be disclosed as requested on the application. In MA, a sickness or injury makes itself known when the symptoms are clear enough to cause a prudent person to seek medical attention. Benefits are payable for such preexisting sickness or injuries made known to us on the application and not excluded from coverage. Benefits for such conditions shown on the policy Schedule will be payable only for such loss which starts after the policy has been in force at least 12 months. In AR, a sickness or injury for which medical advice or treatment was recommended by or received from a physician within five years from the Policy Date and which must be disclosed as requested on the application. Benefits are payable for such preexisting sickness or injuries made known to us on the application and not excluded from coverage. Benefits for such conditions shown on the policy Schedule will be payable only for such loss which starts after the policy has been in force at least 12 months.

In CT, IA & WA, benefits will not be payable for loss caused by any condition, which makes itself known during the five-year period prior to the date the person suffering the loss became insured. A condition will be considered to have made itself known when medical care or treatment has been given, or there exist symptoms which could cause an ordinarily prudent person to seek diagnosis, care or treatment. In CT, this provision does not affect our rights with respect to any material misrepresentations contained in the application.

In VA, Subject to the Time Limit on Certain Defenses provision, benefits are not payable under the policy for loss caused by any condition which makes itself known during the two-year period prior to the Policy Date. A condition will be considered to have made itself known when: (1) medical advice or treatment has been received from a physician; or (2) there exist symptoms which would cause an ordinarily prudent person to seek diagnosis, care or treatment.

### **Monthly Operating Expense Benefits**

When injuries or sickness results in total loss of time, we will pay benefits for operating expenses you incur during such total loss of time. Benefits are subject to the deductible (or elimination) period. Benefits for operating expenses incurred each month will be paid up to the average monthly (in PA, the maximum) operating expenses for the 12-month period immediately before the start of the total loss of time. Benefits are limited to the Maximum Monthly Benefit, but not to exceed in the aggregate, the Maximum Operating Expense Benefit for one accident or sickness.

In MA, PA, SC & VA, if benefits are payable for less than one month, the benefit payable for each day will be 1/30<sup>th</sup> of the average monthly operating expense as determined above. In TN, a pro rata benefit will be paid for a loss of less than one month.

A pro rata benefit will be paid for a loss of less than one month (TN only).

In the event that your average monthly operating expense decreases, the monthly benefits of your policy will be continued during a period of total loss of time until the Maximum Operating Expense Benefit is paid (not applicable in PA).

In NC, upon your written request, the Maximum Monthly Benefit may be increased. The increase will be effective on the first day of the calendar month following the date we receive your request and evidence of insurability. This adjustment cannot exceed the amount nearest your monthly office operating expense reported. A corresponding premium adjustment will also be made.
