

MEMBERSHIP FORM

The Membership Year of the Fife Family History Society now runs between the 1st January and the 31st December annually. So – no matter what month of the year you joined the Society, **all memberships fall due for renewal on 1st January** (unless, of course, you have opted to pay for three years membership of the society).

The society has almost 600 members, which would create a huge job if we were to chase up those who are late making their subscription payments, so we do not send out reminders. Members are advised that if they fail to make payment of their subscription(s) by 31st March, their names will be deleted from the Membership List and our Website.

Subscriptions can be made by Sterling Cheque (made payable to the Fife Family History Society), or by Paypal via our website www.fifefhs.org. Please note you do not have to have a Paypal account to pay this way. All members, UK and Overseas, now have the option to pay for three years subscription in the one payment. You can also pay by BACS payment email membership@fifefhs.org for details of account.

*****Please provide us with a current email address.**

Many thanks and I look forward to receiving your membership.
