- Certified Nutritionists and Natural Health Professionals are not Medical Doctors. My visits are based on the belief that the body has a natural ability to heal itself if given the appropriate healing environment.
 - Healing Paths and Teri Cochrane may recommend non-invasive natural medicine such as vitamins, minerals, herbs and dietary changes to support organ systems and regain a state of body balance.
 - The services provided by Healing Paths and Teri Cochrane, including anything said, provided, printed or reproduced is not intended to prognosticate, diagnose, or treat disease.
 - The information and counseling I receive is strictly information to educate and empower me with regard to my overall wellness.
 - Before making any adjustments to diet or adding supplements I understand that I should consult my primary care physician.

I have read this information and agree to be bound by it for this and all subsequent visits.
