### Victor Blue Devils Winter Guard

Dear Color Guard Director, Staff and Members:

Welcome to the Victor *Images in Motion* winterguard show sponsored by Victor Central School District and the Victor Band Boosters. We are excited to share with you and your unit what we hope to be a very exciting and entertaining evening! We are prepared to offer your unit a clean and safe competitive site, a warm-up and practice area, booster organization vendor tables, great tasting food and friendly, outgoing parents to help you anyway they can. Please remember Victor Central School District implements a **No Smoking policy for its entire facility and grounds.**

Below please find the specifics with regard to this contest:

- Location:** Victor Central High School  
953 High Street  
Victor, NY 14564
- Date:** **February 14, 2015**
- Contest Start Time:** **5:30 P. M. (First performance 5:40)**                      **School Opens: 3:30 P. M.**
- Guard Check in:** **Senior High entrance on the North side of the building.** Please use the West Entrance from High Street; personnel will be available at that entrance to assist with directions. Each guard will be allocated seven wristbands. The wrist bands are for the back bleachers only. Please inform chaperones and staff of this. If they wish to watch the show from the front, they must buy a ticket. Please hand in your show write-ups when you check in if you have not already posted them to the Northeast Circuit website. In addition to warm-up time, practice time is available from 1PM to 3PM in 10 minute blocks, and available on a first come, first served basis. Please contact Mary Burke (585-615-7428) for times.
- Props:** Drop off at front of school facing High Street. Again, please use the West Entrance from High Street; personnel will be available at that entrance to assist with directions. Props will be stored in our Auxiliary Gym prior to performance. The Gymnasium has a single door entrance.
- Program Flow:** The auxiliary gym, where the props are stored, is located to the right rear of the main gym. Props and guards will be staged there, **mats will be unfolded from right to left** (as the judges face the floor), then refolded from right to left, and guards and props will exit to the left rear. This means that your mat must be folded so that you are prepared to open it from right to left.

**Room Assignments:** Your group will be assigned a changing room. Your staff/director will be held accountable for the room and its contents. Please no eating, drinking or practicing in your room. Do not go through desk drawers or items that may have been left out by the teacher. Adult supervision is required while students are in the classroom. Please do not touch or use the phones or any smart boards that may be in the rooms.

**Sound System:** Sound Checks may be done prior to show start time; those units performing after intermission may do their sound check during intermission.

**Video Taping:** Space in the stands will be reserved for 1 person to videotape. Please tape only your unit. We will not be videotaping the show.

**Tickets:** \$6.00 for all spectators

**Post Contest:** Judges Critique will be in the Media Center (a.k.a "Library") following the last performing unit.

**Post Contest Exit** Guards will be asked to exit through the new Senior High entrance, which offers a totally closed-in access to the parking lot. There will be plenty of signs showing the way.

**Emergency Phone:** Cell phone: 585-746-2963 (Mike Eames)

**Directions are on the attached sheet**

**Concessions:** We will be offering very good food at reasonable prices. Please stop by and try our homemade food

If we can assist you in any way, please contact Mary Burke at 585-615-7428 or Mike Eames at 585-746-2963. On behalf of Victor Central Schools and the Victor Band Boosters, we thank you for participating in *Images in Motion*. Please enjoy the day and best of luck to all of you.
