Mark Saunderson, Relationship Manager, State Trustees

Mark Saunderson is the Relationship Manager for State Trustees Limited in Victoria. He has a passion for ensuring our elderly are cared for and well respected in the community and began his career as an Assistant Nurse in Queensland. After 8 years in aged care, Mark decided to make the move to Victoria in February 2013.

With a current focus on building transparent and productive relationships in the community, Mark will share his knowledge and life experiences and invites others to do the same. Mark is an experienced presenter and has a relaxed style that encourages participation and will ensure Funeral Directors walk away with information that is industry relevant and valuable.

Mark's interactive presentation will provide an overview of State Trustees and cover topics such as; what is an estate, who can be an executor, the role of an executor, arranging a funeral, grants of probate and working together. Mark will also provide the opportunity to explore other common questions about State Trustees.
