Equal Opportunity Employer/Program Under the Americans with Disabilities Act, the Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means that if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know your disability needs in advance if at all possible. Please contact your local Tax office.
