# WEDDING PHOTOGRAPHY PERMIT APPLICATION

Complete this form and email to venue-management@unimelb.edu.au at least 15 working days prior to the permit date.

### Wedding Photography

The University of Melbourne has an established practice for allowing wedding photography on University grounds and admission will not be granted without a permit. The number of permits issued is limited to a maximum of six 1.5-hour photography sessions per day on Saturdays and Sundays between 9am and 6pm only (one permit per 1.5 hour). No permits will be issued for weekdays, the University Open Day or days when University conferring ceremonies are scheduled. The University reserves the right to add other dates as necessary to the list of dates when permits will not be issued.

In 2016, permits will NOT be issued for the following dates: 19 Mar; 21 May; 30 July; 6, 14 & 21 Aug; 8 Oct; 3 Dec. We are currently unable to advise the dates when permits will not be available in 2017, as conferring ceremony dates in 2017 will not be confirmed until early December 2016.

#### **Permit Fee**

A fee of **\$440** (including GST) for external clients and **\$242** (including GST) for current and former staff and students of the University is applicable to each 1.5-hour wedding photography permit.

Payment instructions will follow after the application has been submitted and the date and time are approved.
