

## **FREE THROW-A-THON**

The Carolina Dynasty Basketball program would like to thank you for participating in our Free Throw -A- Thon fund-raiser. All proceeds from this fund-raiser will help to defray the cost of expenses within the basketball program. This is how it works. First, each player solicits donation quotes for every made free throw from family, friends, or fans. Next, the player will shoot a total of 100 free throws. Member of the coaching staff will monitor the free throws. The number of free made multiplied to the monetary donation for every made free throw, will be the total donation. It's that simple! This not only helps our program to raise funds, but it also benefits our players by developing and maintaining good free throw habits through concentration and repetition. We thank you again for your support.
