

Explore the fascinating world of science and nature in one of the most beautiful parks in all of New England. Sample of activities that may be included but are not limited to:

Hikes	Bug Hunting	Crafts & Songs
Ponding	Tide Pooling	Games
Weather/Clouds	Solar System	Farm Life
Recycling	Story time	The Forest
Dinosaurs	Aborigine Culture	Sun /Shadows
Equipment instruction (binoculars, compasses, etc.)		

Revolving curriculum, every session is different

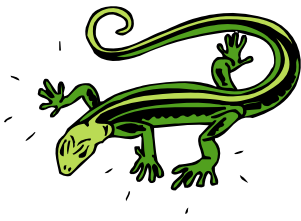

Children ages 4-7 will explore science and nature through age-appropriate activities and groups at Endicott Park, known for its wildlife and natural beauty as well as for its farm life. Our veteran staff will provide The Little Lizards Program a variety of nature activities, such as learning about the different habitats of many animals, identifying plant and animal life, basics of hiking and general equipment knowledge. A fun week capped off with songs, games, crafts and many new friends.

Field Trips
offered during
6 of the
weeks!
