<http://www.ardexamericas.com/en-us/Services/academy/Pages/SeminarRegistration.aspx>

Sept 29 – **Moisture Control**

Sept 30- Oct 1 – **Underlayments & Toppings**

Both seminars are open for registration-click on link above

The two day ISSI is a pre-requisite for the Hard Surface Inspector Program course (portions of second day exam). This course and manual will provide you knowledge of most substrate and imperfections, subfloor/substrate construction, adhesives, leveling and patching, the and subfloors including concrete, wood and other underlayments commonly used in the floor covering industry. This course covers: components of a floor system, causes of failure effects of moisture, alkalinity and humidity, and industry standards and publications.

\$ \$ Need help with tuition?

WFCA - World Floor Covering Association – awards up to \$500 scholarship money to members for schooling assistance. For more information, to apply or to join, call 1-800-624-6880 (Apply 30 days prior to class).

Instructor: Claudia Lezell

In 1995 along with her partner Steve Hume, she established Inspections Too, Inc., a full time floor covering inspection business. Shortly after Flooring Technology Institute (FTI) a subsidiary of Inspections Too, Inc., was established to offer continuing education credits to the related industries and certification for hard surface inspections through the (IICRC). Claudia's degree in education and years of technical experience, have enabled her to educate and aid floor covering inspectors, interior designers, consultants, engineers, specifiers, and architects.
