

## Confidentiality and mutual Non-Disclosure Agreement

UnTrapped Stichting (Untrapped) is a charitable organization registered in the Netherlands. UnTrapped supports on voluntary basis local non-profit organizations in their efforts to fight child sex trafficking and sexual exploitation in Cambodia. By providing high-quality consulting and support services on business activities, UnTrapped enables its partner organizations to put a stronger focus on helping victims to find their way back into society.

UnTrapped is planning to enter into a partnership agreement with

\_\_\_\_\_ **(partner organization)**

In order to allow for due diligence, UnTrapped and the partner organization will provide information about their strategy, business plan and activities. Such information may be privileged and shall not be disclosed to any third party without prior written consent of the other party. All information, which has before or during the due diligence process been made public, shall no longer be considered privileged.

UnTrapped and the partner organization will destroy the information received in due time should a partnership agreement not be concluded and shall not retain any privileged materials or information received from the other party.
