<b>First Customer Ship Date</b>	Late January 2014
<b>Intro Phrase / Tagline</b>	High airflow. Good Looks. Great Features.
<b>Product Full Name/Title</b>	Corsair Carbide Series™ SPEC-02 Mid Tower Gaming Case
<b>25-Word Product Description</b>	The SPEC-02 features an angular, high-airflow front panel, a huge windowed side panel and a front 120mm LED fan. Add to that our USB 3.0 and native, tool-free SSD and HDD installation and you can have your killer gaming rig up and running in minutes.
<b>50-Word Product Description</b>	The SPEC-02 features an angular, high-airflow front panel, a huge windowed side panel and a front 120mm LED fan. Add to that our USB 3.0 and native, tool-free SSD and HDD installation and you can have your killer gaming rig up and running in minutes.

<b>100-Word Product Description</b>	<p>The SPEC-02 features an angular, high-airflow front panel, a huge windowed side panel and a front 120mm LED fan. Add to that our USB 3.0 and native, tool-free SSD and HDD installation and you can have your killer gaming rig up and running in minutes.</p> <p>Most cases at this price point don't give you the combination of great looks and great features that the SPEC-02 does. Up to dual 140mm front intake fan, an rear 120mm exhaust, and room for massive graphics cards makes the SPEC-02 stand out among the crowd.</p>
