ACCOUNTS CHECKLIST**

CONSULTANT NAME: _____

IMPORTANT - Please Read

1. It is a legal requirement to keep all records/documents etc for 7 years.
2. Expenses must only be claimed where they are wholly and exclusively incurred for the purposes of the business.

or		
b) a fair/reasonable percentage relating to work usage of the car (if no log kept)	%	%

Have you kept a Mileage Log for the year? *		

***HM Revenue & Customs require a mileage log as evidence to justify any motor expenses claimed. This is best practice and protects you in the event of an enquiry.**

Business miles will normally be for domiciliary visits, courses and conferences etc, visiting patients where advice is being given on the way. Travel between normal consulting rooms or hospitals is not usually a business expense.

If no mileage log is kept, we suggest that one is started for the following year. Please ask if you are unsure what information is needed to be logged. Even a sample log kept for 2 months is better than none at all.

e) Use of home

There are two methods of claiming a proportion of household costs if you work or study from home in addition to working at your normal place of business.

i) Method One:

The HMRC will accept an estimated rate based on hours worked. This is calculated in tiers. Please tick the box that best fits the hours of work you do at home per month.
