CHAIRMAN'S FOREWORD

I hope when you read this we are still enjoying as good weather as we have been up to the time of writing it. The early spring is getting us in the mood for doing things and the Saxmundham in Bloom team have been busy raising money for this year's display. At their wine tasting in February, Alan George, as well as being an excellent caretaker for the Market Hall, revealed hidden talent by winning the competition with his knowledge of grape varieties.

In January three of us attended the Felixstowe Youth Forum to observe proceedings there with a view to starting something similar in Saxmundham. These meetings are run by the young people themselves and we were very impressed with what they are doing. We have also met with local schools and will report on this project in the next issue.

We have just co-opted Bryony Peall onto the Council to fill the vacancy created by the resignation of Sheridan Trotter-Langlois. I would like to take this opportunity to thank Sheridan for his contribution and welcome Bryony to the role.

In the centre of this edition you will find a pull-out supplement with a programme of the events arranged to commemorate St. George's Day. As this falls on a Wednesday, these take place on the previous weekend, 18th to 20th April. Please do try to support the events that the organisers are working hard to put on for you.

We are currently planning an information point to be placed outside the Market Hall for the benefit of both residents and visitors. In the meantime the Town Clerk will be pleased to assist you with your enquiries.

John Fisher, Chairman, Saxmundham Town Council

THE ROTARY CLUB OF SAXMUNDHAM AND DISTRICT
PRESS RELEASE 2.02.08
Rotary News

As a result of fund-raising activities during 2007, Saxmundham Rotary has recently been able to support Homestart (Suffolk Coastal) to the tune of £3,300. Homestart is a voluntary organization which offers friendly support to help young families through difficult times, and is active in Aldeburgh, Leiston and Saxmundham. This work is low-profile and confidential, but many families have been and are benefiting from help.

You must have seen them! Those people with collecting buckets, bright yellow tabards and a friendly smile who stood at the doorways of supermarkets and farm shops in Saxmundham, Leiston and Friday Street when you were doing your Christmas Shopping. Thanks to your generous support Saxmundham Rotary collected £3,153 for East Anglia's Children's Hospices over the Christmas period –including several generous donations from other local sources.

When off-duty, Rotarians know how to enjoy themselves - the life of Mr. R. Burns has just been commemorated, and St. George will soon be the occasion for another celebration. Our next major fund-raising activity will be the 25th annual Marathon run/walk, on Sunday 4th May, also in aid of East Anglia's Children's Hospices. Put the date in your diary for a run or walk through the woods on a Spring morning. Complete the course and win a medal! More information from Peter Woodruff the Registration Officer, 12 South Entrance, Saxmundham, Suffolk IP17 1DQ, or by e mail to registration2008@homecall.co.uk

Our first two meetings of 2008 were very different but both extremely enjoyable. In January Janice Baldry gave us an artistic start to the year with a delightfully inspiring demonstration in the art of making sugar flowers. We watched her turn small balls of sugar paste into beautiful delicate flowers. It was very interesting to see how she worked and shaped the sugar until it was petal thin and then brought the flowers to life with a few very simple moves. This is obviously a craft for the deft of hand among us!

At our February meeting we once again welcomed Mark Mitchels and this time his talk was on Mozart. He told us how Mozart's father was a professional musician and how from a young age Mozart would insist on having music played whilst he played with his toys. His family toured Europe and gradually Mozart's reputation as a protégé became apparent – he was only 8 year of age when he composed his first symphony. During the tours he was presented at court to a number of royal palaces in Europe and he also visited London. Sadly Mozart died at the age of 35, but amazingly, in that short time, he composed 700 pieces of music. It was a truly spellbinding narrative which was brought to life by accompanying slides and music.

A note for your diaries is our Coffee Morning which is being held on 10th May at the White Hart, Saxmundham. All will be made very welcome and entrance is free. Stalls will include a raffle, bric-a-brac and cakes. Refreshments will be available.

Our April meeting, on the 17th at the United Reform Church Hall, Chapel Road at 7.30 pm is a talk on 'Fashion in the 40's' by Gloria Daines.

If you would like any information on Saxmundham WI please telephone Diana Sculley on 605598 who will be pleased to help you.

SAXMUNDHAM HORTICULTURAL SOCIETY

Firstly I must apologise for the wrong report getting into the last issue of Saxmundham News. I will try to do better this time!

We enjoyed an evening with Nick Bugden on January 30th speaking about Spring Magic - even the lovely smells were there to be appreciated. By the time you read this we will have held the all important A.G.M on Wed. 19th March. Anyone can attend and will be welcomed at all our meetings. Following our Spring Show on 29th March, the next big event will be the Summer Show which will be in the Market Hall on Saturday 30th August, doors will be opened at 10.30am, entrance is 50p including refreshments. Anyone can enter the show so pop along to B.C Fisher's or Elizabeth's and pick up a schedule and help us to give Saxmundham a really good Show. Before that there are one or two other things to look forward to which are - Radio Gardener and Writer Karen Kenny on Wednesday April 30th in the U.R.C. Hall at 7.30pm speaking on Container Planting and Care of your Lawns with Green Thumb on Wednesday May 28th.

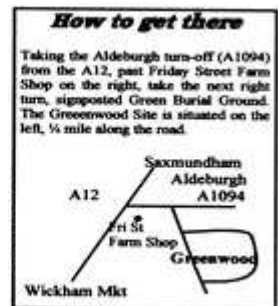

In the Summer we have an afternoon at Somerleyton, a couple of other evening visits and a short break to the Cotswolds.

Saxmundham in Bloom

The Saxmundham in Bloom Team have already started to raise funds and make plans for our entry into the 2008 Anglia in Bloom competition, and the beady-eyed amongst you may have noticed a few new additions to the flora of the Town. A number of ceramic butler sinks have been placed at four of the entrances to Saxmundham – North and South Entrances, Saxmundham Road on the way in from Leiston, and at the top of Rendham Road, by the A12. These have been purchased using kind donations made by residents of the Town, and have been planted up for the winter with a colourful selection of pansies and stocks. The plants will need to be replaced as the seasons change, and then maintained and watered throughout the year, so the Saxmundham in Bloom (SIB) Team will be looking for people to sponsor these sinks on an annual basis, at a cost of £30 per sink. In a further attempt to brighten up the entrances to the Town, the team spent a cold and blustery Sunday morning, planting 250 spring bulbs in the grassy area at the top of Rendham Road – again purchased using a donation from a generous supporter. The SIB Team now has two dedicated fundraisers, and have already had a stall at the Saxmundham Horticultural Society Show in November, where they sold calendars, postcards (which can still be purchased at Crisps!), fridge magnets, crocheted turtles and flowers, and ran a very popular game involving sticks and sand! This was a great success, not only for fundraising, but also for raising awareness of Saxmundham in Bloom, and how it all happens! We also hosted a Wine Tasting Evening in the Market Hall, which was thoroughly enjoyed by all, and plans are already afoot for the next one! Not stopping there, we are also planning on having a stall in Fromus Square at the St. George's Day Celebrations on Saturday 19th April. Once again, we are hoping for another fabulous display of hanging baskets in the summer, and these can be sponsored by anyone for £27 per basket, which includes its maintenance – what a bargain! Why not get a group together – friends, neighbours, work colleagues – and collectively sponsor a sink or a basket in the Town? Also, did you know that all gardens in Saxmundham are judged during late July, and winners are chosen from four categories: Best Large & Small Front Garden, Best Drought Garden, and Best Hanging Baskets. Winners are invited to attend the presentation of the cups at the Town Council Meeting in October. Why not make an extra special effort and win one of those cups!

If you would be interested in sponsoring a sink or a hanging basket, or just to offer a willing (and extremely welcome!) pair of hands to help with the huge effort involved in keeping our Town 'blooming', please contact the Town Clerk on 01728 604595, or the Chairman of the Saxmundham in Bloom Committee, Ken Howe, on 01728 604720.

ANGLIA IN BLOOM 2008

(incorporating 'Saxmundham in Bloom')

Saxmundham entered the 'Anglia in Bloom' competition again last year, after missing a year in 2006, and we are pleased to say that our efforts were recognised with a Silver Award in the 'Small Town' category. With the help and support of the residents of Saxmundham, we are striving to achieve bigger and better things, and hopefully our second win with our 2008 entry. The display of hanging baskets in the High Street and elsewhere in the Town have always been very impressive, and we hope that this may continue next year. The cost of safely hanging each 18 inch basket continues to be £27, which covers the cost of everything, including the regular watering, grooming and replacement if necessary, for the whole summer, to the end of September. Weather permitting, the baskets usually go up during the first weekend in June, and are taken down at the beginning of October. If you would like to support this worthwhile venture, please fill out the slip below and return to the Town Clerk with payment as soon as possible.

Yours sincerely,

Cllr Ken Howe, Chairman, Saxmundham in Bloom Committee

Public Consultation on Local Community Developments

Over 180 local residents, young and old, streamed into the Market Hall, Saxmundham on Saturday morning 23rd February to register their thoughts and opinions on local facilities and amenities - and say what additions they would like to see! The Saxmundham & District Community Interest Company held the drop-in morning with displays to explain the Community Plan consultation programme and the results so far. Everyone had the opportunity to drop in anytime during the four hours, have a tea or coffee, talk to the directors and volunteers and register their queries, comments and suggestions to help develop a vibrant and thriving local community. It seems there was plenty to talk about! It was noted that the equivalent enterprise in Wickham Market had so far raised over £1,000,000 to build a children's playground, a teenage skate park and a resource centre housing the library and assorted meeting rooms and offices. For further information on the results regarding Saxmundham and the surrounding area and the next steps, please tel: 604584 / 602177 or visit www.saxcommunity.co.uk.

POPPY APPEAL Vacancy for Organiser

The 07/08 appeal closes in May and to date its raised £4253.80. Neil & Jennifer Franks have managed the Poppy Appeal for nearly two decades and with the help of many collectors they have raised £58,386.45. They wish to convey their sincere thanks for all the support they have received but having advertised the position of Poppy Appeal Organiser no one has come forward. You don't have to be a member of the Royal British Legion and they would support anyone who kindly offers to take over this post. They have stored the material and have a list of all the collectors who are willing to continue as they are themselves.

Please will someone volunteer to continue the work of this extremely worthwhile cause?
