

Illinois Groundwater Association Membership Form

Be a member and make a difference!

WHY JOIN?

As a member, you can get discounts of up to 35% on meeting registration, listing in the [IGA Directory of Expertise](#), [newsletters](#), and other great benefits. Dues for each calendar year are only \$25 for professional members or \$5 for student members.

We seek to advance the knowledge of groundwater resources in Illinois and function exclusively for charitable and educational purposes. We have biannual [meetings](#), which provide informative and timely discussions of groundwater issues, and we are widely known for our [student grants program](#), which has given over \$18,000 to Illinois undergraduate and graduate students.

Anyone interested in the groundwater resources of Illinois can join. Our membership includes consulting engineers, geologists and other professionals; faculty and students from colleges and universities; the public; people from federal, state, county, and municipal agencies and organizations; and people from drilling companies and other industries.

In fact, joining the IGA is a great way to meet people and learn about important issues. Join today and you will also make a difference by supporting valuable IGA programs!

HOW TO JOIN

[Join Online](#) or follow these steps:

Step 1: Fill out the form below

Name:
Street Address:
City, St, Zip:
Phone:
Fax:
Email:
Position:
Employer:
