

The Ty Howard College Scholarship Fund Program

(For Year 2015)

Mr. Ty Howard

Why Do You Give?

It's a simple answer:

The more support young people receive from their community and successful business leaders, the more likely they will become successful and commit to better their communities.

Every first generation college bound student needs a caring adult role model in his or her life; someone who will support and encourage them to discover, tap into and unleash the greatness within.

For the big steps they will take... will begin the movement and advancement in higher education for generations to follow.

Best Wishes,
Ty Howard

The Ty Howard College Scholarship Fund Program was established to elevate and continue the humanitarian efforts of InspiraGen Institute, LLC's founder, Chairman and CEO, Mr. Ty Howard. Those who know Ty well witness his passion and commitment for helping youth and young adults to excel in life through the enrichment of a good education. He works diligently, daily, to encourage, motivate, teach, inspire and support the hopes and dreams of tomorrow's community leaders, business leaders and orators.

In this spirit, and in his legacy, InspiraGen Institute LLC molded the **Ty Howard College Scholarship Fund Program** to continue providing assistance in perpetuity. Scholarships are provided annually to energetic **First Generation** and **Disadvantaged College Bound Students** graduating from high school and moving into a two-year or four-year college or university program. Students residing or attending college in the United States are eligible to receive funds that may be applied toward tuition, books and living expenses. Students must have maintained a minimum 3.0 or above grade point average, and demonstrate a strong background in community service. Scholarships are awarded to individuals who will better their communities through their chosen career path and history of helping the underserved.

Who qualifies as a first-generation college bound student?

The high school graduate or GED equivalent student who will be the first-generation in their family to ever attend college on any level. Also the student who proves to be a disadvantaged student and/or a single mother working and attending college.

Benefactors and contributors to the endowment fund insure necessary principal is available to provide substantive scholarships into the future. Scholarship proceeds are generated through interest earnings on endowment fund investments and the continuous 10% tithing from Mr. Ty Howard throughout the year (by way of: motivational speaking, guest appearances, product sales, coaching, consulting, etc.).
