

ADOS-2 Clinical Workshop Booking Form

Date: 13th to 14th April 2016 | Location: London

Endorsed by the College of Occupational Therapists

£500.00 exc VAT for two days

This workshop is for professionals unfamiliar with the ADOS-2; it will provide an introduction and guidance on the use of the ADOS-2 for the purposes of clinical assessment. Our experienced trainer will describe the ADOS-2 and demonstrate administration and scoring, operationalising diagnostic criteria for ASD.

You will have the opportunity to practice scoring with guidance from the trainer on the nuances of administration and coding the ADOS-2. The workshop focuses primarily on Modules 1 to 4; materials are provided in order to complete training in the Toddler Module following the workshop.

Pre and Post Course Materials are included in the cost of the workshop. These materials include two DVDs focused on Modules 1 to 4 and one DVD/Guidebook providing training in the Toddler Module. Participants should familiarise themselves with the pre-course materials in preparation for the workshop.

After the workshop, participants use the post-course materials to reinforce skills learned and complete training in the Toddler Module. The Pre and Post Course Materials amount to approximately 10 hours of required self directed learning.

Who should attend:

- For clinicians with a prior background in autism and formal testing this 2-day workshop is sufficient to support use of the ADOS-2 to inform the diagnosis of autism and autism spectrum disorders. In addition it is recommended that at least one person from each setting/organisation using ADOS-2 has attended a research reliability training.
- Individuals with less background in testing but who provide services for individuals and families affected by autism may take the workshop for informational purposes.
- Researchers who plan to use the ADOS-2 in research need to attend in-person research workshops.
- **Note:** Attendance on the course does not guarantee qualification to purchase ADOS-2; access to test materials is governed by our qualification criteria, please see our registration information page for further details.

Cost of the workshop is **£500.00 plus VAT for 2 days.**

This includes:

- All course materials (including pre and post course materials, and protocols for use during the workshop).
- 10% discount on all ADOS-2 products (discount code will be provided on completion of the workshop, and is valid for 1 month following the workshop)
- Lunch and refreshments.

Please book early to avoid cancellations and disappointment. Places will be allocated on receipt of payment and must be paid in full prior to the course.

Trainer Biography: Dr Fiona Scott, Managing Director of Spectrum Specialist Consultancy Ltd is a Consultant Chartered Psychologist with 20 years experience researching, training and doing clinical work with autism spectrum disorders.
