

OPEN ACCESS OPTION PAYMENT AUTHORIZATION FORM

This form must be completed and submitted with the Open Access Option License Form. On payment of a one-off fee by the Author(s) or your institution or employer, your manuscript (as both full-text and PDF) will be made available for viewing and download at www.futuremedicine.com without charge to any user.

Use of Open Access Option articles for commercial purposes is not permitted. However, support for free access is available to third parties subject to the appropriate permission fees (contact sales@futuremedicine.com)

Please note, we cannot publish your paper without completed open access license and payment forms or a conventional copyright permission form.

Authors are charged only if a paper is accepted for publication. All peer review is performed on a double-blind basis, and referees are not aware of the status of the article with regard to any application for open access.

PAYMENT DETAILS

An invoice for the cost of the Open Access Option will be sent to the named author and email address on the previous page, unless otherwise instructed.

On receipt of the invoice, payment by credit card can be made through our online payment system, which allows authors to pay quickly and securely:

<http://www.future-science-group.com/shop/424/>

The payment system requires the entry of invoice details, and therefore payment can only be made after receipt of the invoice. Once the payment has been processed, an email confirming payment will be sent through to the email address provided.

Please note we are currently unable to accept Amex payments online.

If you do not wish to pay using our online payment system, payment can also be made via cheque or bank transfer payments – full details regarding these methods of payment will be provided on the invoice.

If you are asking a university or institution to pay for you, please give purchase order details below.
