INSTRUCTIONS FOR USING THIS CSSD TRAINING CALENDAR AND WEBSITE

Welcome!

This booklet contains the CSSD Training Calendar administered by Wheeler Clinic. This new calendar of classes for January through May 2014, is also found online and can be accessed through the Training Calendar website, <https://cssd.ctclearinghouse.org>. If you have previously saved this URL as a “favorite”, you may have to re-enter it into your browser in order to see the current calendar as new information is added often.

We would encourage you to become familiar with the CSSD registration system and online catalog of courses. The most current version of the catalog will always be online. Only three calendar months of trainings are available for registration.

If you wish to register all students online under one supervisor’s name, you may use the same email address for multiple students but each student must have their own student account and have a unique password. All training registrations must be in the name of the student who is attending that training. This is the only way to register for the CSSD classes found in this calendar. Please keep a list of your staff’s passwords at your office. If you forget a password, call Wheeler Clinic at 860-793-2164.

When registering for a class online, be sure to click on the “complete” button on the last registration screen. This reserves your spot in the training. If you do not do this, the registration is not saved. After registration online is completed, the system will immediately send an automated confirmation to the primary email address on the student account.

If your staff members do not have access to computers, you may copy the faxable “student account” form on page 4, fill one out for each student and fax it to Wheeler Clinic at 860-793-9813. Each student will be registered by a Wheeler staff. Also, you will be able to register for classes by phone (instructions are found on page 3). An email address or fax number must be given in order to receive confirmation. If a student or his/her supervisor can’t be contacted by email; the fax or phone number given to Wheeler Clinic will be used to notify you about canceled classes, etc.

Please remember, if a student cannot attend a class, Wheeler Clinic should be notified as soon as possible by email or phone. There are often waiting lists to get into classes and as much notice as possible is helpful to notify other potential students.

Important! Please note -

Before creating an account, you must check with your Program Director to be sure that your agency AND your specific program is funded under an existing CSSD contract. You cannot attend trainings unless your program is *currently* funded.

Thank you for your interest and cooperation,
CSSD Training Academy
