

UCLA Jump Circle Fund – Donation Form

Each organization is asking you to consider making a donation to this very worthy and lasting effort which will benefit two charities: Cedars-Sinai Medical Center/Sports Spectacular Endowment and UCLA's Eureka Endowment. The Sports Spectacular was established in 1986 in response to the promise of genetic research leading to the understanding of numerous genetic diseases founded in children as well as adults. UCLA's Eureka Endowment supports the education and training of doctoral students in the biomedical and life sciences. Students working in these areas make central contributions to the caliber and strength of UCLA's scientific research endeavor. The potential donor levels are as follows:

At the culmination of a successful campaign, it is expected that each donor will be appropriately recognized on a plaque that will be placed with the autographed UCLA Jump Circle, and that the entire floor display will have a permanent home as part of a planned UCLA basketball display in the remodeled Pauley Pavilion.
