- **Scoring will be done with the ORION SCORING SYSTEM**. All results can be accessed online from the Orion Results Center - [orionresults.com](http://orionresults.com).
- The test will be from two sources: the Ten Lesson Curriculum put out by Daisy Arms & the NRA BB Gun Rule Book put out by the NRA. **Both are available online**. The test is worth a possible 100 points in addition to a shooter's fired scores. **Competitors are required to bring a sharpened #2 pencil with an eraser** for taking the Test.
- The Daisy 499 BB gun is the normal standard for this match, but other BB guns can be used & that list is found in the BB Gun National program. Shooters/Coaches can use their own purchased BBs, but ball bearing type BBs are not allowed. **BB guns & equipment will be inspected prior to the match (Saturday morning) to make sure they conform to the current NRA rules. Inspection of BB guns & equipment can also occur anytime after check-in and during the match.**
- **Course of Fire** will be prone, standing, sitting, kneeling & in that order. Each position will shoot **ONE** target in 10 minutes for a total possible score of 100 points & 10 X's. X count will be used in the event of a tie. Each position will be completed by all shooters before going to the next position. The **ORION** BB gun targets will be used.
- **Unlimited sighters** and all record shots should be completed within the 10 minute time limit per position, Rule 9.3.
