

ASSE Foundation
Safety Matters 2014 Silent Auction
Donation Request

Safety 2014, June 8-11
Orlando, Florida

Dear Friends and Supporters of Safety -

As advocates of furthering the safety profession and creating a safer world for all, we invite you to be a part of the Foundation's 20th Annual Silent Auction, underwritten by the generosity of the Walt Disney Co., during Safety 2014 in Orlando, Florida.

Each year at the ASSE Professional Development Conference the Foundation hosts a silent auction. All proceeds go toward the Foundation's Safety Matters fund, our signature fund supporting all of the Foundation's many programs.

If you don't know the Foundation, we are the charitable arm of the American Society of Safety Engineers which is the world's oldest professional safety society. The Foundation focuses on providing educational opportunities for professionals and those just entering a career in OH&S, supporting research in the safety fields to bring new knowledge to the community, and helping individuals focus their skills as the next generation of safety leaders.

While Safety 2014 is still a few months away, we hope to spark your interest in donating to the Safety Matters Silent Auction. Businesses across the nation take part, creating a vast, diverse selection of items for conference attendees to bid on. Whether you donate a piece of local culture from your company's home town or a sample of a product you offer, the silent auction is an excellent way to gain exposure for your business. Your company logo, website, and additional information will be included in your donation's item listing within our online auction platform. With hundreds of individuals participating in the auction, your generosity will not go unnoticed - all in the name of safety.

If you would like to donate to the auction, please fill out the attached form and return it to the Foundation by April 1, 2014 (return instructions on form).

Thank you for your consideration in joining the Foundation's Safety Matters Silent Auction.

For the future of safety,

David T. Crowley
Foundation Trustee

**2014 Safety Matters Silent Auction
Donation Form**

Be a part of the Foundation's 20th Annual Silent Auction at Safety 2014 in Orlando, June 8-11.
