# AUDITION REQUIREMENTS

Students must be enrolled in a school band or orchestra program or home schooled.

All standard band instrument positions (including string bass and harp) are open for audition each season. CYWE accepts highly qualified students to fill a set instrumentation.

Students must audition in person. Time for auditions will be determined by *receipt of the audition application* form included in this brochure. An audition fee of **\$10.00** in the form of a check should be sent with the application form or can be paid at the time of the audition. Make checks payable to **UNC Charlotte Department of Music.**

**Audition literature must be the current year's All-State solo requirements for North and South Carolina, according to the student's grade level. Since all grades (9-12) audition, it is possible for a 9-10 student to also prepare the 11-12 solo if desired.** The solo need not be memorized and should be performed without accompaniment.

Students should be prepared to play any of the 12 major scales requested (or perform basic rudiments on percussion). There is also a short sight reading requirement. Percussionists will need to bring their own sticks and mallets. Notification of results of the audition will be posted online within 48 hours of the auditions. Acceptance packets will be mailed one week after auditions.
