

Visual Art Class by Artclub Hongkong

LET'S BE CREATIVE! Your child has an opportunity to join in a fun-filled and innovative after school art class designed for children to discover their creativity through exploring the diverse world of art. Students can experiment with a range of visual creative arts. All lessons offer a fine balance between learning about the history of art, introducing children to new and established artists, whilst teaching different techniques and allowing children to experiment and have fun. Artclub Hongkong offers expert teaching in drawing, painting, clay modelling and paper mache. Classes are run by an art educator & artist Riitta Kuisma (Master Degrees in Fine Arts & Art Criticism).
