DECIMALS: UNIT 4- Math Binder Checklist

Item	Page Number	Item in Binder
Place Value Chart:Reading and Writing Decimals	1	
HW: Review Decimal Place Value	2	
Rounding Whole Numbers and Decimals	3	
HW: Round About	4	
Symbols you must know	5	
Comparing Decimals	6	
Decimals:Comparing and Ordering	7	
HW Practice21 Comparing and Ordering	8	
Decimal Detective-Review HW	9	
Estimating Sums and Differences	10	
Estimating Products	11	
Multiplying by powers of 10	12	
Dividing by powers of 10	13	
HW quiz: 2.1 Practice A-reveiw	14	
Mental Math: Division with zeros in the divisor	15	
HW: Which is Closest? Estimating with \times and \div	16	
HW: Estimating Products and Quotients	17	
Dividing Decimals by Whole Numbers	18	
Dividing Whole Numbers with Decimal Remainders	19	
Dividing Decimals by Whole Numbers:Zero in the quotient	20	
HW: #1-5 THE DECIMAL GOES STRAIGHT UP!	21	
Division with 2 digit divisors	22	
HW: Decimals:Dividing by Whole Numbers #1-8	23	
Loose leaf and answer key	23 a,b	
HW:Dividing a Decimal by a Decimal	24	
HW: Decimals Dividing by decimals	25	
HW looseleaf #1-16 and answer key	25 a,b,c..	
REVIEW SHEET: adding and subtracting decimals/word problems	26	
HW: 2.2 Adding and Subtracting Decimals	27	
REVIEW SHEET:Multiplying Decimals HW on back	28	
REVIEW NOTES:Estimating sums, differences,product, and quotients. HW: reviewing division with zero trick on back	29	
Classwork REVIEW SHEET: #1-15 back was HW	30	
DECIMAL RULES YOU MUST MEMORIZE: skills review problems on back	31	

I have checked that my son or daughter checked the contents of the binder and arranged their papers in order.

The test has been signed and will be stored in my math folder in the classroom.

This booklet will be stored at home to use if it is needed to review notes for future tests.

This booklet will also help review for the math final exam and state test.
