Watch your email and U.S. Mail box for upcoming TPREIA Educational Events in 2010.

We look forward to 2010 with hope, dreams and optimism. We sent out an email last fall and asked for your ideas of educational classes that YOU would like for TPREIA to bring in 2010; We received so many ideas, thank you. We have

Dear Mike,

Please be our guest at our class at the Champion Windows Training Facilities and Plant Tours in Dallas on February 10th, 2010.

Our Houston Class for this event is filled. If you would like to attend the Dallas class, register now to reserve your place.

These class are **FREE to TPREIA Members** and will provide you with 6 TREC CEU hours for either class attended.

You have most likely seen, inspected or own Champion windows. Now you have the opportunity to learn from the pro's at Champion Windows about windows and to see how they are manufactured.

You will learn about:

- The different types and style of windows
- New Energy Code Requirements
- U-Factors, Low-E Coatings and Solar Heat Gain Coefficient

contacted Specialists in the areas that you indicated that you were interested in. 2010 promises to be another great educational year!

Members serving Members.

[Join Our Mailing List!](#)

- How to read the NFRC Labels
- Proper Installation Methods
- Installation Issues
- Warranty Issues
- Plus take a tour of their factory to see how windows are made.

Don't miss this TPREIA educational event. Sign up today to reserve your space in the Dallas class. Class sizes are limited due to the factory tours.
