Two forms of proof are required to credit a motor vehicle tax bill. Proof that the plate has been returned to the Department of Motor Vehicles (receipt from them), and proof that the vehicle is no longer on your property. Examples of that proof may be:

- 1) Your purchase agreement for a new vehicle from the dealer with trade-in information.**
- 2) Bill of sale.**
- 3) Receipt from Junk Yard.**
- 4) Out of state registration.**
- 5) Total Loss letter from your insurance company.**
- 6) Donation letter proving you have donated the vehicle.**
- 7) Proof that the car has been registered by someone else.**

Failure to file such claim and documentation as prescribed herein shall constitute a waiver of the right to such property tax credit.

Please either mail your proof to:

Or email to assessor@burlingtonct.us (scan or picture of proof)

Or fax to 860-673-3159.

Thank you for your cooperation!
