Clio Youth Football and Cheerleading – Equipment Loan Agreement

To help ensure the continued success of the Clio Youth Football and Cheerleading League and to improve the management of our assets, we are implementing a more formalized **Equipment Loan Program**. The goal of this program is to help maintain quality and equipment that we are able to offer our families from season to season as well as improve the management of our expenses. By putting more structure and focus in this area, it will allow us minimize equipment loss, which has proven to be a significant issue for us and many other youth football organizations in the area. This program will ensure that those responsible for lost or non-returned equipment will be held accountable for the cost of replacing these assets.

The Agreement:

I, _____ parent of _____, agree to return all equipment issued by the Clio Youth Football League (CYFL) and understand that this equipment is the property of this organization. I also agree to return all issued equipment at the end of the season during one of the formal Equipment Check-In sessions at the CYFL equipment barn located at the Clio Area Youth Sports Complex.

I understand and agree that if I fail to return any of the equipment that has been issued or do not obtain the proper Signature of Release (below), that I will be required to pay a \$300 fee (for football) \$100 fee (for cheerleading) to replace the equipment that was checked out. Furthermore, I understand that this fee will be payable prior to November 30th, 2015. If equipment is not returned or the fee not paid by this date, you will be sent to collections.
