

**Craft Yarn Council's Certified Instructors Program**  
**STUDENT TEACHING REPORT FORM**

Students enrolled in the Certified Instructors Program, either via correspondence or attending an on-site workshop, are required to complete 15 hours of teaching for Level I and 15 hours of teaching for Level II, in addition to any coursework. Formal classes, informal classes, or one-on-one sessions may be credited toward your student teaching requirement. (While we are interested in knowing the number of students you taught, it is only the number of hours you taught that are applied to the student teaching requirement.) Please complete the following form detailing when and where you taught a session related to crocheting or knitting, how many people you taught and the dates and times. This form is to be completed and returned and will serve as verification of your student teaching at each level of the program. If you need more space, please use the reverse side.
