1. BACKGROUND:

A better healthcare preparedness translates directly into lower mortality & morbidity impact. Aside from the conventional roles the hospitals play in treating the sick & the injured, in case of large scale disasters, even the entire community seeks shelter, support in the hospitals as has been seen across the state from a landslide affected hospital in Darjeeling to cyclone hit hospitals in South 24 Parganas.

West Bengal is highly vulnerable to natural hazards. All the natural hazards like flood, cyclone, drought, hailstorm, erosion and landslide occur in the state. Man-made disaster like fire, breakdown of power and water supply etc also can occur.

Presently, the hospitals in disaster response function as islands, dependent on individual skill & knowledge, not integrated in the system & hence function sub optimally.

Training will be conducted for OR provided to all staff of the respective hospitals to understand the Disaster Preparedness. Since, this is a field based programme involving lot of activities and exercises, therefore, if need arises, the trainer may like to extend the duration of the module with the express directions of the Department of Disaster Management.

2. OBJECTIVE OF THE PROGRAMME:

The objectives of the programme are as follows:

1. To create models of hospital disaster readiness in three hospitals of the state.
2. To replicate this model in other hospitals of the state.
3. To create a pool of trained master trainers in the Government System who will take this knowledge forward to other similar hospitals
4. Develop State & National liaisons in the process to facilitate cutting edge experience, best practices and knowledge transfer

The training programme will be implemented in M. R. Bangur Hospital, North Bengal Medical College & Hospital and Kurseong Sub-division Hospital in West Bengal.

3. BRIEF ABOUT M. R. BANGUR HOSPITAL:

M. R. Bangur Hospital, an ISO 9001:2008 certified Government Hospital, is the district hospital of South 24 Parganas. It serves the massive population of the district as well as the adjoining metropolitan area of Kolkata. The various clinics in the OPD serves around 1,200 -

1,500 patients per day and around 150 patients are admitted daily to be dispensed medical attention of various nature. The hospital is currently equipped to serve patients in 650 beds with new facilities being added each day.

The basic information of the hospital is as follows:

Number of Beds: 655

Approximate number of Staff including Doctors, Nurses, Technicians etc: 920

4. BRIEF ABOUT NORTH BENGAL MEDICAL COLLEGE & HOSPITAL

North Bengal Medical College is located in Sushrutanagar, to the west of Siliguri, connected to the town by the 3rd Mahananda Bridge. Sushrutanagar, otherwise referred to as :medical~ by the local people, is more or less 5 km from the Siliguri town. The nearest Railway Station New Jalpaiguri Jn is about 11 km away and the nearest Airport is Bagdogra Airport which is about 8 km from the Campus.

The basic information of the hospital is as follows:

Number of Beds: 750

Approximate number of Staff including Doctors, Nurses, Technicians etc: 300

5. BRIEF ABOUT KURSEONG SUB-DIVISIONAL HOSPITAL

The Kurseong sub-divisional hospital started with a small dispensary in the mid 1880s. It is situated in Kurseong Town of Darjeeling district. It serves the population of the sub-division as well as the adjoining block of the district.

The basic information of the hospital is as follows:

Number of Beds: 300

Approximate number of Staff including Doctors, Nurses, Technicians etc: 140

6. SCOPE OF WORK:

The Scope of Work for hospital preparedness is as follows:

1. Perform a structural & non structural hazard vulnerability analysis of the hospital to understand the present state of preparedness, perform a capacity, capability analysis & set up the capacity & capability objectives. Visit the premises along with the senior hospital administrators, resource persons well versed in fire safety, CBRNE safety & the PWD engineers for technical assessment.

2. Hand hold & facilitate the structuring of the Hospital Incident Command System Structure (HICS) & the HDM planning committee (HDMPC).
3. Conduct Trainings to develop the required skill & knowledge across job positions in the hospital.
4. Hand hold & facilitate the development of job roles & responsibilities structure, SOPs, plans, job action area specific plans, job action sheets, logistic action plans.
5. Conduct department specific table tops & drills for the areas as delineated below:
 - Command Centre Staff [HICS]
 - Emergency Room & Triage Area
 - Intensive Care Unit
 - Medical Operations
 - Non Medical Operations
 - Media Handling
 - Managing volunteers & mobs
6. Conduct & facilitate an inter agency coordination workshop to integrate the HICS into the community & district IRS
7. Conduct an all Section table top exercise
8. Conduct a full scale drill with 3rd party external expert auditors
9. Development of after action report
10. Setting up training & audit continuity structure
11. Development of Training Content
12. Identification of Hospital Staff & formation of Core Group for training
13. Roll out of the Disaster Preparedness Programme including preparation of the hospital specific Hospital Disaster Management Plan
14. Document the whole process by means of documents, still photography and videography
15. Impact Assessment by third party

West Bengal Disaster Management Department, Government of West Bengal invites EOI from Companies for the above services.

7. SELECTION CRITERIA

7.1. ESSENTIAL QUALIFICATION

1. Any company with previous experience of training programme can submit EOI bid.
2. The minimum turnover of Rs. 15 Cr. cumulative for last three financial years. (15 Marks)

3. Have in house Resource Persons who are faculties with National Disaster Management Authority in Hospital Disaster Management. (15 Marks)
4. Have in house Resource Persons who have experience in participating in at least one Disaster Management Exercise in any state of the country as resource person. (15 Marks)
5. Have in house Resource Person who has participated in the training of state level officers in Hospital Disaster Management at any state level institute in West Bengal. (15 Marks)
6. Must have experience of developing at least one Hospital Disaster Management Plan of an existing hospital in West Bengal. (15 Marks)
7. Minimum 2 years of experience in running minimum 50 bedded hospitals in West Bengal will be desirable. (15 Marks)
8. Experience of imparting training with any Department under Government of West Bengal. (10 Marks)

8. TENDER OPENING AND EVALUATION

8.1. TENDER OPENING

The Technical Bids will be opened on the date and time as mentioned in the EOI schedule in the presence of those Bidders, who choose to be present.

8.2. TENDER VALIDITY

The offer submitted by the Bidders should be valid for a minimum period of 6 months from the last date of submission of Tender.

8.3. TENDER EVALUATION

A duly constituted Tender Evaluation Committee (TEC) will evaluate the Commercial Bids. The proposals will be evaluated on Quality & Cost Based Selection (QCBS) basis. The Proposals will be ranked according to their combined technical (St) and commercial (Sf) scores using the weights (T = the weight given to the Technical Proposal (70%); P = the weight given to the Financial Proposal = 30%; T + P = 100%) using the formula -

$$S = St \times T\% + Sf \times P\%$$

This evaluation procedure reflects the high importance attached to quality and competence. Please note that the Disaster Management Department, GoWB is not bound in any manner to select any of the bidders submitting proposals or to select the firm offering the lower price.

The bidder achieving the highest combined technical and commercial score (S) will get the highest rank, followed by others. The bidder obtaining the highest number of points will be

invited for contract negotiations, with a view to clarify any outstanding points, to finalize technical and financial arrangements and, in case of successful negotiations, to sign a Contract Agreement. Bidders Submitting Proposals should clearly understand that any or all parts of their proposals are liable to be part of the negotiation procedure.

The technical proposal will be evaluated out of 100. The bidder will have to score at least 60 marks combined technical evaluation (St \geq 60 marks) to be declared as technically qualified.

8.4. TECHNICAL BID EVALUATION

The Bidder who satisfies the documentary evidence as per the Eligibility Criteria is considered as technically qualified. Minimum Qualifying Mark in technical evaluation, to get selected for Opening of Commercial Bid is 60 Marks in the Technical Proposal. The technical scores of the bidder against each criteria (Clause - 7) would be totaled up, and thereafter the technical scores of all the bidders would be listed in decreasing order. Any proposal achieving a Total Technical Score (St) less than 60 Marks will be treated as `Not Technically Qualifying the Requirements_ and will not be considered further. Only the technically qualified bidders will be informed for opening of the commercial proposal.

8.5. PRICE BID EVALUATION

The technically qualified Bidder alone will be informed of the date of opening of the Price Bid. The commercial proposals will be opened only for the bidders with score of 60 marks. The lowest evaluated Commercial Bid (Fm) will be given the maximum commercial score (Sf) of 100 points. The commercial scores (Sf) of the other Commercial Proposals will be computed as per the formula - $Sf = 100 \times (Fm / F)$, in which Sf is the commercial score, Fm is the lowest commercial quote and F is the commercial quote under consideration.

9. PROJECT DELIVERABLES

The deliverables of the project are given below:

- Development of Training Content on Hospital Disaster Management
- Preparation of Training material for the participants
- Master Trainers' Training
- Identification of number of staff in each hospital
- Implementation of Training Programme for all hospital staff

- Identification of core group of 40 members who will be getting the detailed training on Hospital Disaster Management
- Perform a structural & non structural hazard vulnerability analysis of the hospital to understand the present state of preparedness
- Hand hold & facilitate the structuring of the Hospital Incident Command System Structure (HICS) & the HDM planning committee (HDMPC)
- Hand hold & facilitate the development of job roles & responsibilities structure, SOPs, plans, job action area specific plans, job action sheets, logistic action plans
- Conduct department specific table top exercises & drills
- Conduct a full scale drill with 3rd party external expert auditors in hospitals
- Concurrent Programme monitoring and impact assessment
- Setting up training & audit continuity structure
- Documentation, Photography and Videography of the whole project from beginning to end
- Development of after action report

10. LETTER OF ACCEPTANCE (LOA)

After successful completion of the negotiations, a Letter of Acceptance of the EOI will be issued to the successful Bidder by WBDMD. The successful bidder should start the work within 7 days from the date of release of LOA.

11. SECURITY DEPOSIT

- a. The successful bidder will be required to remit a Security Deposit (SD) equivalent to two percent of the value of the work order, inclusive of Earnest Money Deposit by way of TR - 7 form in the Reserve Bank of India under the Head of Account `8443 – Civil deposits – 00 – 103 – Security Deposits – 001 – Earnest / Security Money – 07 – Deposits_ in the name of **Joint Secretary, Disaster Management Department, Government of West Bengal**. This will be valid for a period equivalent to the Contract period from the date of acceptance of EOI, within one week from the date of receipt of communication intimating them of the acceptance of the EOI. The Security Deposit furnished by the Successful Bidder in respect of the tender will be returned to him after the satisfactory completion of the project and after impact assessment study.
- b. Security deposit paid by the successful bidder will not bear any interest.

12. AGREEMENT

- a. The successful Bidder should execute an agreement in non-judicial stamp paper, having a face value of Rs. 100/- within 7 days from the date of notification of acceptance by the department for the due fulfillment of the contract.
- b. Successful Bidder will be required to execute an agreement in the form, which can be seen at the Joint Secretary, Department of Disaster Management, West Bengal Secretariat, Nabanna, HRBC Building 2nd Floor, Room No. 203, Howrah -711102.
- c. The stamp duty on the Agreement shall be borne by the successful Bidder.

13. LEGAL CLAUSE

In case of any dispute, the matter will be referred to an Arbitrator under `Arbitration and Conciliation Act 1996_. The arbitration shall be held in Kolkata only and the Courts at Kolkata only shall have jurisdiction in relation thereto.

14. PAYMENT TERMS

The assistance may be released in installments, as under, after submission of running account bills along with progress report from the Super of the concerned Hospital:

- | | |
|-------------------------------------------------------------|-----|
| i. After conducting atleast 30 % of training programmes: | 20% |
| ii. After conducting at least 50% of training programmes : | 40% |
| iii. After conducting at least 75 % of training programmes: | 20% |
| iv. After impact assessment study : | 20% |

Service Tax, TDS etc. will be applicable as per existing Govt. rules.

15. RIGHT OF ACCEPTANCE

The West Bengal Disaster Management Department reserve all rights to reject any tender including of those bidders who fail to comply with the instructions without assigning any reason whatsoever and does not bind it to accept the lowest or any specific tender. The decision of West Bengal Disaster Management Department in this regard is final and binding.

Any failure on the part of the contractor to observe the prescribed procedure and any attempt to canvass for the work will prejudice the contractor's 'quotation.

16. Details of Submission of EOI

Interested organization may submit their profile along with the details as given below:

1. Name of the Company

- a) Type of organization and year of establishment.
 - b) Registration/ Affiliation.
 - c) Experience Certificate of working experience in running Hospital in West Bengal in a minimum 50 bedded hospital.
2. Copy of at least one Hospital Disaster Management Plan.
 3. Experience Certificate of conducting non-structural safety assessment
 4. Degree / Diploma / Certificate of course completed on Disaster Risk Management
 5. Experience Certificate of working with a Government Department / Agency in the field of Hospital safety
 6. Illustrative Profile / CV of the company
 7. Companies will be shortlisted for next stage of evaluation to engage for carrying out the scope of work for WBDMD in accordance with the procedures set out by Department of Disaster Management, Government of West Bengal based on the EOIs received and evaluated.

EOI must be delivered within 21 days from the date of publication in newspaper at the following address:

Government of West Bengal
Disaster Management Department
Nabanna,
2nd Floor, Room No. 203
325, Sarat Chatterjee Street, Howrah -711102

The EOI may also be downloaded from www.wbdmd.gov.in.

EOI's received after the last date of submission shall not be considered. Department of Disaster Management, Government of West Bengal shall not be responsible for any delay in submission including delay due to postal or any other reason whatsoever.

Joint Secretary
Department of Disaster Management

17. ANNEXURE - I
