## **Balkan Peninsula Boogaloo**

I'm the Balkan Peninsula and I'm here to say  
I have many countries and that's Ok.  
In 1922, five countries were considered all mine.  
When the Iron Curtain fell they divided into nine.

Romania, Bulgaria, Albania, too!  
Yugoslavia, Greece, Boogaloo!

I'm the Balkan Peninsula and that's a fact.  
The new countries are fighting and refuse a pact.  
Many ethnic groups, languages, religions are the cause.  
If only they can see this as not great flaws.

Slovenia, Croatia, Macedonia, too!  
Bosnia Herzegovina, Boogaloo!
