## "NO STUFFING" DISCOUNT

For maximum convenience, Haan Crafts provides white economy stuffing for all stuffed animals and pillows. However, if you do not want the stuffing, we will gladly withhold it from your order and give you a discount, upon request. You can withhold stuffing entirely, or just from certain kits. Consult the Order Blank to find the Stuffing size and discount amount for each kit.

**Example:** If you order 50 pillows that normally come with a Size #16 Stuffing but tell us that you don't need any stuffing sent, we will deduct \$50.00 (50 x \$1.00) from your order total!

Stuffing Size	Discount per bag withheld
Size #1	\$0.15
Size #2	\$0.40
Size #4	\$0.40
Size #6	\$0.50
Size #11	\$0.75
Size #16	\$1.00
Size #20	\$1.25
Size #30	\$1.75
Size #48	\$2.75

Receiving this discount is simple: When you place your order, just tell us either **"NO STUFFING"** or **"1/2 STUFFING ONLY"** (or give us clear, specific instructions on which stuffings you do and do not want), and we will discount your final total accordingly. We hope this option proves beneficial to you, and gives you more flexibility in how you use our kits in your classroom!

See page OB-24 in this order blank for more information.

## Haan Crafts Skill Level Rating System

We use an easy-to-follow system to rate our sewing kits for difficulty. The system uses a **NUMBER** to indicate the difficulty of the individual steps, followed by a **LETTER** to indicate the amount of sewn pieces used to complete the project. We hope that this will help you better determine which kits are appropriate for your students' skill levels, as well as the amount of class time allocated for sewing.

**NUMBER =  
Difficulty  
Level**

1. Simple
2. Easy
3. Average
4. Moderate

**LETTER =  
How Many Sewn  
Pieces**

- A. 1-2 pieces
- B. 3-5 pieces
- C. 6-10 pieces
- D. 11-19 pieces
- E. 20 or more pieces

By this measurement, a kit rated 1-A would be the easiest project with the fewest pieces. A kit rated 4-E would be the most challenging project with the most pieces. Ratings are subjective, because some people find stuffed animals easier to construct than garments (or vice versa). Following are the criteria for the skills taken into account when devising this rating system.

### NUMBER = Difficulty Level

#### 1 Simple

A good first project for elementary students. Includes simple shapes and flat construction (the pieces have the same shape so they lie flat during construction). With Haan Crafts kits, the major pieces are pre-cut or pre-printed. To-Sew kits include paper patterns or instructions for measuring and cutting. Stuffed projects are easy to turn right side out. The project may include turned and finished edges, and/or a casing for a drawstring.

#### 2 Easy

A good project for beginners. Includes simple shapes and mostly flat construction, although there may be some darts. Stuffed projects are easy to turn right side out. The project may include any Level 1 skills; a casing for a drawstring or waistband; and/or applying more complex appliqué letters or shapes to the surface of the project.

#### 3 Average

A good project for average middle school students. Includes more complex shapes, but no tight or difficult areas. The project may include any Level 1 or 2 skills; more precise matching of seams; a zipper; gathers; and/or inset pieces, such as paws or cuffs.

#### 4 Moderate

A good project for high school students, or above-average or experienced middle school students. Includes more complex shapes. The project may include any Level 1, 2 or 3 skills; piping; one or more tight or difficult areas; and/or challenging sculpting.

### LETTER = How Many Sewn Pieces

This indicates the number of pieces (including appliqués and accents) that need to be sewn to complete the kit. It does not include trims such as eyes, washers, webbing and ribbons. The higher the letter, the more sewn pieces are involved in the kit, as follows:

- A – 1 or 2 pieces
- B – 3 to 5 pieces
- C – 6 to 10 pieces
- D – 11 to 19 pieces
- E – 20 or more pieces

In addition to the rating system, please read the item descriptions to determine if the item is pre-cut, pre-printed or paper pattern. Pre-cut kits are very quick and easy to make. Pre-printed kits assure accuracy and are quicker to construct than paper pattern kits, which are a little more time-consuming and provide the experience of working with paper patterns.

In these financially challenging times, we realize that budgets are tighter than ever. That's why Haan Crafts is pleased to offer Discount Kits as a money-saving alternative. These are kits that have been discontinued to make way for new projects and fabrics, and they are available to you at significant savings. They are too numerous to list in our print catalog (with the exception of the cartoon pillows at right), so you'll find them all on our web site. Visit [www.haancrafts.com](http://www.haancrafts.com) and click on the "Discount Page" link. If you are using this Order Blank to place your order, use the space below to write any Discount Kits you want to purchase. Feel free to use additional paper, if needed. While supplies last. Discount Page sales are final; close-outs cannot be returned for credit or a refund.

## Service to Make You Smile

OB-21

At Haan Crafts, we realize that teachers have one of the most difficult jobs around, and we do whatever it takes to make your job easier. Although we offer the widest variety, the biggest array of different products and fabrics, and the best patterns and instructions, our unparalleled customer service is what really sets us apart from the rest. Here are some of the advantages of ordering from us:

- Toll-free phone and fax numbers may be used for any reason, not just for placing orders; use them any time you need to contact us
- Orders can be submitted via phone, fax, mail, e-mail, or on our web site, whichever is the most convenient method for you
- All orders are shipped by the next business day, so they arrive promptly
- No-hassle guarantee allows you to return kits before, during or after construction for full credit, exchange or refund, without a penalty and without having to get permission first
- Free shipping and handling on any school orders of \$100 or more
- Free replacement of lost or damaged parts, because we realize that it's easy for pieces to be misplaced, cut wrong, or otherwise ruined amid the hectic pace of the classroom
- Free envelopes with mini order blanks so students can turn in their individual orders without taking valuable class time
- Free student labels on each kit identify the class period and initials of the student, for faster and easier distribution of the projects when they arrive
- Rewards Discount program rewards loyal customers with a credit coupon worth 2% of your total annual purchases at the start of each school year
- Large Order Discount program automatically rewards customers placing orders of \$300 or more with an instant 5% discount
- "No Stuffing" Discount program gives you the option of saving money by withholding stuffing from your order
- New catalogs automatically shipped to you at the beginning of the school year whenever you placed an order the previous year, so you don't have to remember to call and request catalogs at the beginning of the year
- Your phone call will be answered by a friendly, well-trained customer service representative who will make your transaction pleasant, not an automated system that makes you listen to a long list of menu options
- Your satisfaction is guaranteed; any Haan Crafts or To-Sew kit may be returned any time before, during, or after construction and we will gladly exchange it or refund your money during the same school year.

Dear Parent:

I'm excited to tell you about a new learning project our class is about to begin.

As part of a new unit on sewing, each student will be choosing a sewing kit from a pre-selected list of options. The specialized kits we will use are designed specifically for teaching purposes.

**Your child will learn the following practical skills:**

- How to read, understand and follow directions
- How to organize and plan work
- How to operate a sewing machine
- How to perform basic hand sewing stitches
- How to work with standard patterns (either paper patterns or patterns printed on fabric)
- How to sew seams, add attachments, and other sewing techniques

Your child will also be practicing key academic skills which are needed in other subjects. These include working with fractions, decimals and whole numbers, improving reading comprehension, building vocabulary, and using simple measuring tools. Last, but not least, he or she will also discover the pleasure of seeing a project through from start to finish, and will enjoy the sense of accomplishment in a job well done.

Best of all, this project is fun and affordable! Please see below for the cost of materials required to complete the project your child has selected. I know you'll want to help your child to succeed by encouraging the completion of this educational project. I think you will be pleased with the results. Your child has chosen the following project:

Project Name: \_\_\_\_\_

Cost: \$ \_\_\_\_\_

Materials Cost Due Date: \_\_\_\_\_

Please feel free to contact me if you would like any further information about this unit or to volunteer your time in assisting the class in this project.

Sincerely,

\_\_\_\_\_  
Teacher

☐ Please find enclosed \$ \_\_\_\_\_ for my child, \_\_\_\_\_, to purchase materials required for the upcoming sewing instructional unit.

## Design-A-Pillow Contest

- **Grand Prize — \$100 Haan Crafts Gift Certificate**
- **Honorable Mention(s) — \$50 Haan Crafts Gift Certificate**

Is there a pillow you would like to make and we don't offer it? Send us your idea today and you could win our Design-A-Pillow Contest! Just follow the simple entry rules below to qualify.

One or more pillows will be selected, developed, and sold in the fall issue of the 2016 Haan Crafts/To-Sew catalog. There will be a grand prize of a \$100 Haan Crafts Gift Certificate, and Honorable Mention winner(s) will each be awarded a \$50 Haan Crafts Gift Certificate. Students enrolled in Family and Consumer Education in grades 6-12 are eligible to enter. Haan Crafts Gift Certificates may be used to purchase merchandise from the Haan Crafts/To-Sew catalog. Visit our website ([www.haancrafts.com](http://www.haancrafts.com)) for a complete listing of all the products available.

The pillow can be any shape, but keep in mind the difficulty of the construction. Many are square or round, others are long and narrow. The average length of a side is usually 15 1/2". The body of the pillow is made of broadcloth with felt and embroidery accents.

The entry should be a design of the finished pillow. It can be hand-drawn or computer-generated, but must be the original work of the entrant. The design should be done in color. Again, a computer printout is fine, or you can use crayons, markers, or any other medium that works for you. Your entry should be on a sheet of paper measuring at least 8 1/2" x 11" with the actual finished measurements and other details written out. An actual-size entry will also be acceptable. Do not use any brand name products in your pillow design.

All entries become the property of Haan Crafts and will not be returned. Haan Crafts is not responsible for lost, stolen, or delayed entries. Haan Crafts reserves the right to alter the design for any reason. Haan Crafts also reserves the right to reprint any or all entries, in part or in entirety. Decisions of the judges are final, even if there are identical or similar entries. Entry must be the original work of the individual entrant. An individual entry form must be filled out and attached to each design entered. Only one entry per student will be accepted. Photocopies of this entry form are acceptable. Winners will be announced in the fall issue of the 2016 Haan Crafts/To-Sew catalog.

# REWARD DI\$COUNT PROGRAM

## for Haan Crafts customers!

We are proud to present a discount program rewarding our loyal customers! This is our way of saying "thanks" for using Haan Crafts and To-Sew kits in your program. The discount will be based on the amount of your purchases, and will grow as you purchase more kits. Here's how the program works:

- ★ Order at least \$200 of merchandise from Haan Crafts between July 1st, 2015 and June 30th, 2016 to qualify.

Example: If you spend \$600 during the entire school year, you will get a \$12 credit coupon ( $600 \times .02 = 12$ ) for free merchandise to spend next year.

- ★ In August 2016, you will receive a letter listing the total amount of your credit, which you can apply to any order(s) placed between July 1, 2016 and June 30, 2017.
- ★ The credit may be applied to any order placed from Haan Crafts during the 2016-2017 school year. Use it just like cash!

## "NO STUFFING" DISCOUNT

### for Haan Crafts customers!

For maximum convenience, Haan Crafts provides all materials needed to complete the projects as shown, including white economy stuffing for all stuffed animals and pillows. However, we realize that different customers have different resources and budgets, and may already have access to stuffing. For that reason, we offer a money-saving option. If you do not want the stuffing, we will gladly withhold it from your order and give you a discount, upon request.

You can withhold stuffing entirely, or just from certain kits, if desired. Consult the Order Blank to find the Stuffing size included with each kit, as well as the amount of the discount per kit.

Example: If you order 50 pillows that normally come with a Size #16 Stuffing but tell us that you don't need any stuffing sent, we will deduct \$50.00 ( $50 \times \$1.00$ ) from your order total!

Receiving this discount is simple: When you place your order (whether it is by phone, fax, mail or e-mail), just tell us either "**NO STUFFING**" or "**1/2 STUFFING ONLY**", and we will discount your final total accordingly. Or, if your stuffing requests are more detailed, then provide us with clear, specific instructions about which stuffings you do or don't want, and we will be happy to accommodate you. We hope this option proves beneficial to you, and gives you more flexibility in how you use our kits in your classroom!

Stuffing Size	Discount per bag withheld
Size #1	\$0.15
Size #2	\$0.40
Size #4	\$0.40
Size #6	\$0.50
Size #11	\$0.75
Size #16	\$1.00
Size #20	\$1.25
Size #30	\$1.75
Size #48	\$2.75

**NOTE:** This "No Stuffing" Discount **MUST be requested at the time of your order.** You must make the request on EACH order, regardless of your ordering trends. If you have a history of usually withholding stuffing but we receive an order in which stuffing is not mentioned, we will assume that you DO want stuffing with that order. Once stuffing has been shipped, it cannot be returned for credit or a refund.
