

Small Business Lending Fair

Meet the Lenders — Speed Dating Style

February 25

Meet Face to Face With Business Lenders

This program is designed to connect small businesses with local Silver Spring banks that are currently lending to business. Bank representatives will meet with established small business owners in a “speed dating” format to create connections, build relationships, and help small businesses learn more about accessing capital. Representatives from state and county agencies will also participate and provide information about loan programs available through the government. The goal is to help businesses owners learn about the lending process and about what kind of funding is available. Participating businesses will not expect to bring their complete financial records or to complete/begin the application at this event.

Participating Organizations to Date

BB&T; EagleBank; EDG; M&T Bank; Monument Bank; Meridian Mgt.; Mid-Atlantic Federal Credit Union; PNC Bank; Sandy Spring Bank; SECU; United Bank; and US Small Business Administration

Presented by the **Greater Silver Spring Chamber of Commerce** in cooperation with the **Montgomery County Department of Economic Development**

Where: Silver Spring Civic Building

When: 8 a.m. to 12 p.m.
Monday, February 25
