Patient Health Information Consent Form

We want you to know how your Patient Health Information (**PHI**) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing this consent.

The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (**PHI**) for the purpose of treatment, payment, healthcare operations, and coordination of care. As an example, the patient agrees to allow this chiropractic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that this office will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.

The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.

A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.

The patient may provide a written request to revoke consent at any time during care. This would not effect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.

For your security and right to privacy, all staff has been trained in the area of patient record privacy and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.

Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.

If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, the chiropractic physician has the right to refuse to give care.

I have read and understand how my Patient Health Information will be used and I agree to these policies and procedures.

INFORMED CONSENT CHIROPRACTIC CARE

In coming to Dr. Strouf/Dr. Noble, you give the doctors permission and authority to care for you, the patient, in accordance with the chiropractic tests, diagnosis, and analysis. The chiropractic adjustments or other clinical procedures are usually beneficial and seldom cause any problems. In rare cases, underlying physical defects, deformities or pathologies may render the patient susceptible to injury. Dr. Strouf/Dr. Noble, of course, will not give any treatment or health care if he/she is aware that such care may be contra-indicated.

Again, it is the responsibility of the patient to make it known, or to learn through health care procedures whatever he/she is suffering from: latent pathological defects, illnesses or deformities which would otherwise not come to the attention of the doctor. Dr. Strouf/Dr. Noble provide a specialized, non-duplicating health care service. Drs. Kristine M. Strouf and Ashley Noble are licensed in Chiropractic and are available to work with other types of providers in your health care regime.

I understand that if I am accepted as a patient by Dr. Strouf/Dr. Noble at Healing Well Chiropractic, I am authorizing her to proceed with any treatment that may be necessary. Furthermore, any risk involved, regarding chiropractic treatment, will be explained to me upon my request.

Missed Appointment Policy

We want to thank you for choosing us as your chiropractic health provider. In order to provide you and our other patients with the best optimal spinal care, we request that you follow our guidelines regarding broken and/or cancelled appointments. Please remember that we have reserved appointment times especially for you. Therefore, we request at least 24 hours notice in order to reschedule your appointment. This will enable us to offer your cancelled time to other patients that desire to get their treatment completed. When you cancel your appointment at the last minute, everyone loses – you, the doctor and other patients that would like to have utilized your appointment time.

Since our office does not charge at this time for broken or cancelled appointments, please realize how important it is to keep your reserved time. Thank you for your consideration of our policies and for the opportunity to be your chiropractic office of choice.
