## Main Campus Student Semester Parking Agreement Form

As a Semester Parker, I hereby agree to abide by the following rules and regulations:

- 1) My parking privilege is solely for my convenience and at my own risk. Temple University assumes no responsibility for theft, fire, damage to or loss of use of either my vehicle or its accessories or its contents. The University has the rights to close parking facilities due to inclement weather. Parking access will be provided during these periods at an alternative location.
- 2) My permit must be hung inside my vehicle, on the back of the rearview mirror. Vehicles found not displaying their appropriate university parking permit as well as the use of their Temple ID card upon entrance will result in the assessment of the \$15.00 daily cash rate. If you utilize multiple vehicles, the permit must be transferred for admittance. Only one vehicle may utilize your parking privileges at any given time. Vehicles found without the appropriate receipt of payment or registered permits are subject to citation and enforcement procedures.
- 3) My parking privilege may be cancelled at any time. The University has the right to withdraw my privilege at any time with appropriate refund to me. The official cancellation date is recognized as the date that the permit is surrendered to Parking Services. An electronic lock-out will be processed on this date. **Parking Services requires at least one (1) month cancellation notice.** If I paid cash, check or credit card, a pro-rated refund will be processed on the date I returned my permit.
- 4) Montgomery Garage Commuter Semester access is only valid between Monday – Friday (5:30 AM – 10:30 PM). If you attempt to enter or exit outside of this time frame you will be denied. Parkers who continuously attempt to exit will be assessed a \$15.00 fee per incident.
