7TH GRADE PARENT OVERVIEW OF “CHOOSING THE BEST PATH” FEBRUARY 2 6:30PM-8:00PM AT SLC

Annually, the Lee’s Summit R-7 School District presents a Human Growth and Development Unit for seventh grade students. Health classes will be using abstinence-based curriculum materials from the “Choosing the Best Path” curriculum. Due to the sensitivity of the subject matter, boys and girls will meet separately for portions of this unit.

We feel a shared responsibility with the parents and the community to disseminate information that will assist students in making intelligent and informed decisions concerning their health, safety, and well-being. To better support your understanding of the curriculum, we have scheduled informational parent meetings to allow you to obtain an overview of the videos/student workbook from the “Choosing the Best Path” curriculum. For parents of students taking Health second semester, the meeting will be held on Tuesday, February 2 from 6:30 -8:00 PM. Parents need only attend one meeting. The meetings will be held at in the Boardroom of the Stansberry Leadership Center located at 301 NE Tudor, Lee’s Summit, MO 64086. If you prefer that your child opt out of the “Choosing the Best” portion of the curriculum or you prefer that your child not receive instruction during the Human Growth and Development or AIDS unit, including videos, please provide a written notice to Mr. Reece or Mr. Wolverton.
