The President is the Chief Executive Officer of the university and is responsible for the entire university and its effective functioning. The Provost and Vice President of Academic Affairs, Vice President for Business and Finance, Vice President for Student Affairs, and Vice President for University Advancement all report directly to the President. The Executive Assistant reports directly to the Chief of Staff, and provides high-level assistance to the President in matters related to the President's projects and time administration, including coordination of special events, facilitation of Presidential initiatives and programs, management of the President's professional calendar and schedule, and serves as a representative and liaison on and off campus for the President in a high level capacity.

This position is a Higher Education Employer-Employee Relations Act (HEERA) designated managerial position and comes under the Management Personnel Plan (MPP) of the California State University. Individuals appointed to management positions serve at the pleasure of the President or designee. They are excluded from the collective bargaining process, are not subject to probationary service, and do not receive tenure or permanent status. This position is exempt from the overtime provisions of the Fair Labor Standards Act (FLSA).

The position is a "designated position" in the California State University's Conflict of Interest Code. Application Comments: Apply online at: <https://jobs.csuchico.edu>
